## NATIONAL GATE BUILDING BURNS

Plant is Destroyed by Fire This Af-  
ternoon at Loss of \$5,000,  
With Small Insurance.

### STARTS IN PAINT SUPPLY

Pine Stock Burns Rapidly and Fire  
Gets Start Before Company  
Arrives.

The building and plant of the Na-  
tional Gate company in West Third  
street was destroyed by fire this af-  
ternoon shortly after one o'clock  
with a loss of between \$4,000 and  
\$5,000. The flames were fanned by  
a strong wind and from the very  
start it was evident that the fire de-  
partment could do little to save the  
building.

According to Perry King and  
Newton Martin, the two employees at  
the factory at the time, the fire  
started when some paint ignited.  
The paint is believed to have been  
too close to a stove. The paint and  
oil burned rapidly and it was only  
a few minutes until the entire plant  
was in flames.

The building of the gate company  
was located north of the Lake Erie  
and Western depot and just south  
of the Charles E. Francis Company  
factory. The building was of pine,  
covered with metal. The pine wood  
and the paint burned very rapidly  
and while the fire department made  
an effort to fight the flames, their  
work counted for little except to  
save the surrounding property.

The office desk and a few articles  
of value were all that escaped the  
flames. The gate company's trade  
only recently opened up and since  
the first of the year the company,  
under the management of Alfred  
Looney, had been prospering. A  
large amount of stock had recently  
been placed there. This stock con-  
sisted of a car load of lumber and a  
large amount of steel. Only a short  
time before the fire a shipment of  
forty gates was taken from the  
building. These gates were on a  
dray being delivered when the fire  
was discovered.

The National Gate company was  
organized here about three years  
ago. After operating for a time the  
plant failed to make money and Mr.  
Looney, the largest stockholder,  
took over the place and has been  
operating it. The estimated value  
of the plant was \$4,000, and with  
some improvements and the increas-  
ed size of the stock, the loss will  
easily reach \$5,000, it was stated  
this afternoon.

Mr. Looney was out of the city  
this afternoon and the exact amount  
of insurance could not be determi-  
ned. It is believed, however, that the  
insurance will not exceed \$2,000.  
This insurance is on both the stock  
and building.

The fire departmet was delayed a  
Continued on Page 4.

### Congratulations To--

Jacob Feudner, president of the  
Republican Company, who is 62  
years old today. Mr. Feudner is  
living in Denver at present on ac-  
count of his health, but has not  
been there long enough to lose in-  
terest in Rushville. He is a native  
of Germany and came to Rushville  
39 years ago as a job printer on the  
Republican. At that time Rushville  
was a town of 1,800 or 1,900 popu-  
lation. \* \* \* This is also the  
birthday of J. H. Brecheisen. He is  
61 years old today. Mr. Brecheisen  
is a native of Londonville, Ohio. He  
has been engaged in the pop and  
soft drink business here for a num-  
ber of years.

## TO DISCUSS THE PRIMARY

Republicans Headquarters Will be  
Open Until After March 7.

County Chairman Fon Riggs an-  
nounced today that Republican  
headquarters would be open, begin-  
ning next week and continuing until  
after the primary March 7, every  
day except Sunday from 9:30 in the  
morning until 9:30 at night. There  
will be someone at headquarters all  
the time to explain the primary law  
and at night local men will speak  
concerning phases of the statute.

## COUNTY MEETING SET FOR MONDAY

Ivy Lodge And Milroy Lodge Will  
Have Classes of Candidates at  
K. of P. Gathering Here

### GO TO CONNERSVILLE TONIGHT

The Knights of Pythias will hold  
a county meeting here next Monday  
evening at the K. of P. building and  
the chief address of the evening will  
be given by Robert A. Brown of  
Indianapolis, great keeper of re-  
cords and seals. Ivy lodge of this  
city will have a class of nine or  
ten candidates and the Milroy lodge  
is expected to have a big class. The  
work will be given by the degree  
staff of Ivy lodge and the play,  
"Damon and Pythias" will also be  
presented by Ivy lodge members.

Between seventy-five and one  
hundred members of the lodge here  
will go to Connerville tonight at  
seven o'clock on an I. & C. special  
car for the production of "Damon  
and Pythias," which will be pre-  
sented by local Knights at the Lyric  
theater in Connerville. Preceding  
the play, Robert A. Brown will  
speak and after the play a supper  
will be served by the Connerville  
Pythian Sisters at the K. of P. hall.

## WOLTER JURY 8 TO 4 FOR A CONVICTION

Disagrees After Casting Many Bal-  
lots Same Way and is Dis-  
charged at 8:30 p. m.

### MAY BE NO OTHER TRIAL

The jury in the Wolter case failed  
to reach an agreement and was dis-  
charged last night at 8:30 o'clock  
by Judge Sparks. It was stated to-  
day that there never was a chance  
for an agreement and that the jury  
stood eight for conviction and four  
for acquittal from the very first bal-  
lot.

The state was undecided today as  
to whether the case would be tried  
again. Prosecutor Stevens stated  
that he was disappointed in some  
of his witnesses, as they  
did not tell the same story  
on the witness stand that they did  
before the grand jury. There are too  
other cases of a similar nature  
against Wolter in the circuit court  
and if the one tried yesterday is not  
tried again these other two cases  
will likely be dismissed.

### PERKINS FINED.

Greeley Perkins was fined five dol-  
lars and costs this afternoon by  
Mayor Bebout on a public intoxica-  
tion charge. The offense was com-  
mitted last Sunday. Perkins was  
given his freedom pending good be-  
havior. This action was taken after  
Perkins told where he bought his  
whiskey.

## NET OF EVIDENCE UNWOUND TODAY

Result in Arrest of Mart Clevenger  
on Affidavit Filed in Circuit  
Court.

### ILLEGAL SALE IS CHARGED

Raid Monday Starts Chain of Evi-  
dence and More is Found at  
Court of Inquiry.

Mart Clevenger was arrested to-  
day on a warrant issued from the  
circuit court charging the illegal  
sale of intoxicating liquor. The  
case against Clevenger is the direct  
result of a statement made in police  
court last Monday afternoon by  
Greeley Perkins that he had pur-  
chased his "booze" at the Clevenger  
home in East Fifth street.

He was arraigned before Judge  
Sparks but did not enter a formal  
plea. Clevenger's bond was placed  
\$500 which he readily gave. The  
affidavit against Clevenger is one of  
the "blind tiger" charges that the  
state has been so successful with in  
past cases. The offense is alleged to  
have been committed on February  
20 and various days previous to  
this time. The affidavit is for the  
unlawful possession and sale of in-  
toxicating liquors.

The statement of Perkins alone  
was not considered sufficient at the  
time for an affidavit against Clevenger  
and a raid on the Clevenger  
home failed to back up the statement  
of Perkins. A court of inquiry was  
held Tuesday afternoon and it is be-  
lieved that additional evidence was  
obtained, as the affidavit resulted.

The court of inquiry was conducted  
by Mayor Bebout and all of the  
evidence was taken by a stenograph-  
er. At least ten or twelve witnesses  
testified and it is believed that a  
chain of evidence has been secured  
against Clevenger to warrant the  
belief that conviction can be obtain-  
ed.

Perkins stated that he obtained  
the "booze" at the Clevenger home  
Sunday afternoon. By sifting the  
evidence, the men who gave Perkins  
the money to buy his whiskey were  
found and testified Tuesday at the  
court of inquiry. This is said to be  
only a part of the chain of evidence  
against Clevenger.

It was intimated today that when  
the real facts become known some  
startling revelations will be brought  
out. The police have suspected Cle-  
venger for a long time and the raid  
Monday evening at his home was the  
seventh or eighth within the past  
two years.

## DEATH COMES TO BEN F. BALLINGER

Benjamin F. Ballinger, 53 years  
old, a well known resident of Mil-  
roy, died last night at six-thirty  
o'clock following an extended ill-  
ness from heart disease. Mr. Bal-  
linger was formerly a merchant of  
Milroy and retired about fifteen  
years ago, and since that time has  
been in the insurance business.

Besides his widow he is survived  
by two children, Frank of Indiana-  
polis and Miss Lois at home. He is  
also survived by his mother, who  
lives near Fairmount, three sisters  
and three brothers. He was a mem-  
ber of the Masonic and K. of P.  
lodges.

The funeral services will be con-  
ducted Sunday morning at ten-thir-  
ty o'clock in the Milroy Methodist  
church by the Rev. Clyde S. Black  
and burial will take place in the  
Milroy cemetery.

## COURT HOUSE COST \$382,500

Figures at Auditor's Office Show  
That of the Total, \$152,500  
Was Expended in Interest.

### IS NOT THE ACTUAL COST

Although \$382,500 Represents Total  
Bond Issue, There were Many  
"Extras" Allowed.

The last of two bonds issues for  
the construction of the Rush county  
court house and jail were paid yes-  
terday. Figures in the county audi-  
tor's office show that with this final  
payment Rush county paid a total  
of \$382,500 for her court house.

Of this grand total \$152,500 was  
interest, and the balance represents  
the amount of the bonds. The first  
issue of bonds were sold in March  
1896. This issue was for \$160,000.  
The interest on this issue alone  
amounted to \$100,000. Two years  
later, or just before the building  
was completed, it was necessary to  
issue another \$70,000 in bonds. The  
interest was \$52,500.

It is explained today at the audi-  
tor's office that the reason for the  
large amount of interest on the first  
issue of \$160,000 was that the bonds  
began falling due after the first  
year. On the second issue the first  
bond came due after five years. Both  
issues of bonds drew five per cent  
interest and were paid off at the  
rate of \$10,000 a year on each is-  
sue.

The first and original issue was  
sold to Season, Good and Mayor of  
Cincinnati. In 1909 or 1910 bonds  
were disposed of to the Northwest-  
ern Mutual Life Insurance company  
and this firm held the bonds when  
the final settlement was made. Ac-  
cording to the records in the audi-  
tor's office, there was no premium  
paid for either of the big issues,  
which is in striking contrast to the  
bond sales as recently conducted by  
the county.

The commissioners at the time the  
first issue of \$160,000 was ordered  
issued were Allen Hinchman, Calvin  
Jones and William W. Innis. The to-  
tal cost of the bonds and interest,  
\$382,500, does not represent the ac-  
tual cost of the building or the jail.  
The commissioners record shows  
that the contractors were allowed  
numerous "extras" and it would be  
almost impossible to figure the exact  
cost.

## BUSINESS SLACK IN CIRCUIT COURT

After four days of jury trials,  
business slackened slightly in cir-  
cuit court today. Judge Sparks  
heard the case of the Walter A.  
Wood Mowing and Reaping Machine  
company against John E. Patton  
and Curtis Thrall, on a note de-  
manding \$1,200, but the jury was  
not called for today. The court  
heard the evidence in this case and  
took the case under advisement.

Judge Sparks returned a decision  
in the case of Leander Billman  
against the Blue River School town-  
ship of Hancock county, finding for  
the plaintiff and ordering the title to  
the land quieted. This is the case  
involving the land on which is lo-  
cated an abandoned school house.

The case of Nina Lewis, adminis-  
tratrix of the estate of the late Dr.  
J. G. Lewis against Albert Russell  
on an account demanding \$75, was  
dismissed and the costs paid.

## TEAM OF HORSES RAN AWAY

Stopped When One of Them Falls  
as They Turn Corner

A team of horses hitched to a  
spring wagon belonging to John  
Dixon frightened and ran away this  
morning when they were left stand-  
ing unhitched in front of Hyman  
Schatz's junk shop. The horses ran  
down Cerro Gordo street and as  
they turned into Second street, one  
of them fell and stopped the mad  
dash. Neither of the horses was  
hurt and the wagon was not dam-  
aged.

## INDICATION OF YIELDING SEEN

Unconfirmed Dispatches Say Ger-  
many Asks Offensive Arma-  
ment be Defined.

### REPLY SAID TO BE ON WAY

(By United Press.)  
London, Feb. 25.—Germany in her  
reply to the latest representations  
from America asks the United  
States to define offensive armament,  
according to an unconfirmed Am-  
sterdam dispatch received here to-  
day.

The reply, it was stated, is en-  
route to Washington and should be  
delivered to the American state de-  
partment within forty-eight and  
possibly twenty-four hours. Official  
circles accepted the report as an  
indication that Germany does not  
want to break with America and is  
preparing to yield.

## SLACKENS HIS PACE TODAY

Crown Prince Makes No Attempt on  
West Front During Night.

(By United Press.)  
Paris, Feb. 25.—The crown  
prince's offensive in the Verdun re-  
gion is showing signs of slackening,  
the war office announced this after-  
noon. No attempts were made dur-  
ing the night, it was stated and the  
artillery fighting has become less  
violent.

### FLETCHER APPOINTED.

Washington, Feb. 25.—The senate  
this afternoon confirmed the nomi-  
nation of Henry P. Fletcher as am-  
bassador to Mexico. The action  
was taken by a vote of 49 to 16.

## Rushville Has One Street Name Not Duplicated In United States

Rushville has a street which no  
other city in the United States has.  
This distinction—if it may be  
called such—is brought to Rushville  
by McClearence street, which is a  
block long and extends from the  
C. I. & W. depot to Third street.

But even there are those who  
would like to "cheat" Rushville out  
of this so-called distinction. Time  
and custom has caused the short  
block to be known at McClarren  
street. It is so designated by street  
markers.

Local history has it that the  
street derived its name from that of  
an official of what is now the C. I.  
& W. railroad. Clerks at the post-  
office say that McClearence is the  
real name of the street.

Far be it from Rushville to wish  
the street name to stand as McClar-  
ren for then Rushville would not be  
in a class by itself, but would be

## CONGRESS WILL HOLD UP PLANS

Leaders Promise President They  
Will Not Embarrass Him if  
War Does Not Seem Certain.

### CABINET BEHIND WILSON

House Will Pass Warning Resolu-  
tion if it Becomes Necessary  
to Avoid a Conflict.

### OUTBREAK IS PREVENTED

Senator Lodge, Ranking Republican  
Member, Announces he Will  
Stand With the President.

(By United Press.)  
Washington, Feb. 25.—Excite-  
ment raged through every depart-  
ment of the government today con-  
flict forces fought over the pro-  
gram to be adopted by the United  
States in her dispute with Germany.

The president after an hour's  
conference with house leaders ob-  
tained a promise only that they  
would refrain from interfering up to  
the point where they thought it ne-  
cessary to do so to avoid war.

The president's cabinet, after a  
two-hour session, declared itself be-  
hind the president's determination  
not to concede to the demands that  
Americans be warned to keep off  
armed merchantmen.

Opposition in the senate to the  
president took a new form—a reso-  
lution by Jones of Washington ask-  
ing the president not to break off  
diplomatic relations with any coun-  
try and not to place the country in  
a position where it could not with-  
stand an outbreak over the is-  
sue by being thrown into an execu-  
tive session to consider the presi-  
dent's nomination of Henry Fletch-  
er as ambassador to Mexico.

Former Secretary Bryan plunged  
into the fight with a telegram to  
friends in the house supporting the  
agitation for a warning resolution  
and announcing his intention to  
come to Washington.

The limitation the house leaders  
had put on their support, promised  
the president was not understood  
until this afternoon when one of  
them explained:

"We told him that the sentiment  
of the house was overwhelmingly in  
favor of passing a warning resolu-  
tion."

Timothy Hay No. 1 (Baled) ----- \$14.00  
Mixed Hay No. 1 ----- 13.00  
Clover Hay No. 1 Little Red 12.00

## MANY TROUBLES DUE TO WEAK KIDNEYS

"It is no use advertising a medicine unless the medicine itself is good enough to back up the claim you make for it," said Johnson's Drug Store, the popular druggists, to a Daily Republican man. "On the other hand it is a pleasure to sell a medicine when our customers come in afterward and tell you how much good it has done them. And that is why we like to sell and recommend Solvax, the great kidney remedy. We have so much faith in this article that we are going to guarantee it in the future and will return the money to any purchaser of Solvax whom it does not help." This shows great faith in Solvax. It really is a most unusual medicine because it overcomes the worst cases of kidney complaint by removing the cause. It goes straight to the seat of the trouble. It soaks right in and cleans out the kidneys and makes them pass off all the uric acid and poisonous waste matter that lodges in the joints and muscles, causing rheumatic pains; soothes and heals the bladder and quickly end all such troubles.

(Advertisement)

## SAYS DRINK LEMON- ADE FOR RHEU- MATISM

Relief from rheumatism and sciatica can be obtained by drinking lemonade and avoiding alcoholic drinks.

To get rid of this stubborn disease, however, to stop the twinges, pain and swelling, and drive the poisonous accumulations from the joints and muscles, all generously-inclined druggists will tell you to take half a teaspoonful of Rheuma daily until all misery ceases.

Rheuma is a powerful remedy, because only a powerful remedy can overcome such a terrible disease; but Rheuma acts speedily—the first dose taken and you'll know that you will soon be your healthy, happy self again.

Johnson's Drug Store and all druggists know what Rheuma will do, for they sell a great deal of it and guarantee that two 50-cent bottles will overcome rheumatic agony or money back.

## COMSTOCK SPEAKS TONIGHT

Republican Candidate Will Talk in Court House at 7:30 O'clock.

Friends here of Judge Daniel W. Comstock of Richmond, Republican candidate for the congressional nomination in this district, are anticipating a large crowd when he speaks in the court house assembly room tonight at seven-thirty o'clock. Judge Comstock has only spent one day in this county since he became candidate for the nomination and it will be his first set speech here. A general invitation is extended by Comstock boosters to the public to attend.

O. P. Wamsley is suffering with a case of tonsilitis.

Col. E. H. Wolfe is able to be out again after an illness of several days.

Come in and see this new  
**BOWERS  
ECONOMY  
HATCHER**

WE have arranged for the exclusive sale in this community for this famous Hatcher. We consider it one of the best, most practical we could offer to our patrons, and extend to you a most cordial invitation to stop in and see it at your first opportunity. Many new features, all interesting, practical and proven, are introduced on this Hatcher. Bowers Economy Hatchers are all metal, light weight, cost little, and require little time and expense to operate profitably. We are glad to show you and tell you all about them.

## The Metropolitan Concert Company of New York The Supreme Musical Event of the Season

Arrangements have been perfected by which the New York Metropolitan Company will be brought to Rushville. If a sufficient response can be secured from the public in general the company will come here March 10th under the auspices of the K. K. K., they having arranged for the concert.

This will be one of the biggest musical events ever given in Rushville. A representative of the Bureau which presents this company of artists is here, and together with the local organization will endeavor to make a success by making this a subscription concert. Of this company, Vladimir Neveloff, the New York manager, says:

"In presenting Skovgaard, the Danish Violinist, and the New York Metropolitan Company, to the concert going public of this country, I feel confident that I am offering a most attractive and remarkable attraction of great variety. It is a combination of Grand Opera Singers and concert performers, each one being a star and well known to the public. They will not only sing the arias and operatic duets with which they have won their fame, but when you have heard Molly Byerly Wilson sing: 'Oh Dry Those Tears,' you will know there is more than one Schumann-Heink in existence. Florence Hawkins'

(Advertisement)

bird-like voice will enchant you; Clara Freuler's marvelously true and human interpretation of the beautiful Swiss folk song will captivate you; and Francis W. Cowles? Yes, he will sing: 'Danny Deever.' Skovgaard will, with his \$50,000.00 hand, on his \$13,000.00 violin, carry you back to the days of Ole Bull; and the pianist, Alice McClung, will charm you, not only through her splendid accompaniments, but when she plays Liszt, you cannot fail to recognize that you are listening to one of the most brilliant pianists of today."

"The entertainment given by this remarkable company of instrumental artists and Grand Opera Singers is after the style of the popular Sunday concerts held in the Metropolitan Opera House, New York City. Greatest variety in music—Arias from your favorite operas in the beautiful original costumes—Folk songs in national costume—The famous sextette from 'Lucia' and the 'Barcarolle' from 'The Tales of Hoffman.' Classical music—Chamber music—Popular music—In fact an entertainment for everybody."

You will be solicited for tickets. Help make this extraordinary musical event the success it should be, by subscribing for seats.

## At Your Bank

You want to feel that your account is appreciated even if not expressed in large figures. You want also to get more use from your bank than the safeguarding of your funds.

THE RUSH COUNTY NATIONAL BANK wants you, as a depositor here, to express your needs, and to give it an opportunity to show you what real banking co-operation means.

## We Starch Your Garments

by the use of the most modern machinery. Our collar starcher carries your collars and cuffs between endless felt aprons, through a series of wooden rollers running in a bath of hot, liquid starch.

In preparing this starch, we use a very high grade of starch manufactured especially for the laundry trade and not sold at retail. It is prepared and cooked in an especially constructed kettle, according to an exact scientific formulae. This insures the absolute uniformity of the stiffness and pliability of your linen every week in the year.

It is by such points as this, which we treat here in an exact scientific manner, that the modern laundry insures the superiority of its work over that done at home, by the washerwoman or in the small "hand" plants.

## Tomorrow--Matinee and Night

### "The Turn of the Road"

A Five Part Vitagraph Blue Ribbon Feature

Naomi Childers, Joseph Kilgour and Virginia Pearson

John King did not think. He deceived his wife. He tried to abandon her. His child lay at the point of death—yet he did not stop. He took the step that would lead to destruction, despair, defeat. He was in the clutches of a vampire. What will he do? Don't miss this wonderful production. Admission 5c and 10c

# Mystic Theatre

TONIGHT

THE SAMPSONS for the Last Time in the City

See the subject in the Hypnotic state in the window in Main street. Will be awakened at the Mystic at the first show.

Mrs. Sampson will wrestle Pat Borem to a finish tonight. Sampson will break chains and break a rock on the breast of this subject.

"SHADOWS OF THE PAST"

Four Act Tragic Drama of a Scarred Soul, featuring MABEL TRUNNELLE, MARC McDERMOTT and BIGELOW COOPER with an unusual cast.

Admission 5 and 10 Cents.

Colored People 50c

Tomorrow

"MISTER PAGANINI" — Two Act Drama

By the Biograph Company—a feature that is sure to please all.

"THE DEAD LETTER" — One Act Lubin Comedy.

"THE MARKET PRICE OF LOVE" — One Act S. & A. Drama

## GIVES REASONS FOR RETURNING

Clifford Clark Wants Second Bottle Because it Helped Him Greatly.

Fort Wayne, Ind., February 25,—Clifford Clark, a well known Fort Wayne man who lives on Rural Route No. 7, is one of the thousands of Indiana people who have indorsed Tanlac, the Master Medicine. Mr. Clark said recently:

"I was annoyed with catarrh of the head and stomach trouble for along time. I had severe pains in my neck, my throat was sore. I coughed continually and my head felt stuffy. Bloating, from which I also suffered was caused from intestinal trouble, I was told.

"I began improving after the first few does of Tanlac. Now I have finished my first bottle and feel like a different man. My head has cleared and I do not suffer now from dull headaches caused by catarrh. The cough, also, has been bettered and the bloating sensation has disappeared.

"I have received more benefit from one bottle of Tanlac than I have from any other medicine I have taken in ten years. That is why I am back for a second bottle."

The testimony of Mr. Clark, added, as it is, to that of thousands of other people, should prove the merits of Tanlac. Tanlac is especially beneficial for stomach, liver and kidney troubles, rheumatism, nervousness, insomnia and is a blood purifier.

Tanlac is sold exclusively in Rushville at F. E. WOLCOTT'S drug store.

(Advertisement)

Word has been received here of the death yesterday of Mrs. Jesse Whitehead of Milford, Ind. Mrs. Whitehead was the widow of the late James Whitehead, who at one time owned a restaurant in Third street. The funeral will be conducted at Milford Saturday.

### Amusements

"The Honor to Die" is the title of the three reel feature drama, the first picture on tonight's program at the Gem. Rita Jolivet is featured and it tells an exciting romance of an Italian spy's life in France. It is said to contain many thrilling adventures and tells a story worth while. Tomorrow matinee and night the two reel drama "A Tribute to Mother" will be shown in which John Sullivan is featured. On Monday night Mary Fuller will be shown in the feature drama in three parts "The Heart of a Mermaid."

The Princess offers the five act feature "The Turn of the Road" for the program tonight. Joseph Kilgour, Naomi Childers, Bobby Connelly, Virginia Pearson, Edwina Robbins, Robert Gallard and Mable Kelly are featured. It tells a story true to life. Half of our troubles could be eliminated if we stopped to think. John King did not think. He deserted his wife and child and left with another woman. But fate had something to say and the dramatic situations in the picture are said to be wonderful.

## When Croup Comes Treat Externally

The old method of dosing delicate little stomachs with nauseous drugs is wrong and harmful. Try the external treatment—Vick's "Vap-O-Rub" Salve. Just rub a little over the throat and chest. The vapors, released by the body heat, loosen the choking phlegm and ease the difficult breathing. A bedtime application insures sound sleep. 25c, 50c, or \$1.00.

## VICK'S VAPORUB SALVE

## MEAT CAUSE OF KIDNEY TROUBLE

Take a glass of Salts if your Back hurts or Bladder bothers—Meat forms uric acid.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys; also to neutralize the acids in urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.

### \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The cure has so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

### The Daily Republican

The "Old Reliable" Republican Newspaper of Rush County.

Published Daily except Sunday by THE REPUBLICAN COMPANY.

Office: Northwest Corner of Second and Perkins Streets.

RUSHVILLE, INDIANA.

Entered at the Rushville, Ind., Post-office as Second-class Matter.

TELEPHONE NUMBER, 1111.

Friday, February 25, 1916.

### The Right to Shed Collars

Hereafter schoolboys in New Jersey, at least, may go to school without collars. Juvenile rights have been vindicated.

Last June two boys of Merchantsville, N. J., shed their collars one broiling day, and opened their shirts at the front, presenting a modest debutante effect. Their teacher promptly sent them home. Their mother promptly sent them back to school. The teacher turned them out again, and a little later the state commissioner of schools upheld her. It was immodest, he said, for boys to go without collars. The fact that girls did so had nothing to do with the matter.

Now the state board of education has passed finally on the case, and upheld the boys. Its decision is as follows:

"Had the boys appeared in school without shirts, it would perhaps have met the exigencies of the hot weather but would have been subversive of discipline; but to say that they should not come to school collarless is an unreasonable and unwarranted exercise of power by the teacher."

That righteous decision ought to hold good anywhere, and every boy in America who rebels against the bondage of a linen collar on hot days ought to know about it.

## ASSESSORS TO BEGIN NEXT WEEK

The time is short until the season opens when the assessor may be expected to knock at the door any time. On March 1 their annual task of listing the personal property for taxation begins. Next Wednesday is the day.

The township assessor will meet with the county assessor, Henry W. Schrader, at his office in the court house Saturday morning at ten o'clock and receive their supplies and instructions. They will agree on a basis for assessing personal property and additional improvements made on real estate in the last year.

## NATIONAL GATE BUILDING BURNS

Continued from Page 1.

few minutes in reaching the fire because the number of the box from which the alarm was sounded did not register at the fire station. The box, No. 37, corner of Third and Washington streets, was found to be out of order. This box has been out off from the rest of the circuit and will be sent away for repairs. The fire department had to count the number before starting to the fire and the run was also a very long one.

### MOSTER NOW AT THE FARM.

Hubert (Mooney) Moster was taken to the penal farm yesterday afternoon by Sheriff Cavitt where he began serving a sentence of sixty days for public intoxication. In addition to the penal farm sentence Moster was fined 15 and costs, giving him a total of 60 days down on the farm.

We are authorized to announce the name of Charles C. Brown as a candidate for Sheriff on the Democratic ticket, subject to the decision of the primary election, March 7, 1916.

I will be a candidate for the Democratic nomination for Congress before the Primary, March 7th, and as the duties of my office and attention to important measures before Congress will prevent my returning to my District, I take this means to ask the voters for their support.

FINLY H. GRAY.

## BRIGHTER CHILDREN.

Children are probably brighter to-day than a generation ago—but are they stronger? That's a grave question. So many pinched faces, dulled eyes and languid feelings make us wonder if they will ever grow into robust, healthy men and women.

If your children catch colds easily, are tired when rising, lack healthy color, or find studies difficult, give them Scott's Emulsion for one month to enrich their blood and restore the body-forces to healthy action.

Scott's Emulsion is used in private schools. It is not a "patent medicine", simply a highly concentrated oil-food, without alcohol or harmful drugs. It cannot harm; it improves blood; it benefits lungs and strengthens the system. Your druggist has it—refuse substitutes. Scott & Bowne, Bloomfield, N. J. 15-21

### Local News

Mrs. Henry Miller, who has been ill for three weeks, is improving nicely.

Edgar Bates has accepted a position as freight clerk for the C. I. & W. railroad.

Word has been received from Clyde Osborne, who is at the United States Naval Training station at Great Lakes, Ill., that he has almost recovered from scarlet fever and tonsillitis.

A minstrel show will be given at the Sexton Modern Woodman hall by the Old Time Jubilee Singers next Wednesday evening, March 1. Admission of ten and twenty cents will be charged and a general invitation is extended to attend.

James J. Mathers, administrator of the estate of the late James G. Mathers, has filed a petition against Ethel Green, et al., asking for an order of the court to sell real estate filed a petition against Ethel to pay debts.

The second quarterly conference of the St. Paul's M. E. church will meet this evening at 7:30. C. E. Bacon, presiding elder of the district, will be present and preside at the meeting. All members of the conference are urged to attend.

Charles Lyons, of Knightstown, former county commissioner, remains in a serious condition as a result of a stroke of apoplexy suffered yesterday. Mr. Lyons was still unconscious this morning and while his heart action is good, there is grave doubts as to his recovery.

The Shelbyville high school basketball team spent a short while here this morning enroute to Connersville where they play tonight. The same team takes part in the tournament here tomorrow and is composed of A. Hall, R. Hall, Robert McClay, George Harding, William Weidner, Jack Higgins, Russel Cochran and Coach John Pruitt.

The funeral of Mary Esther Keaton, two-year-old daughter of Mr. and Mrs. Ed Keaton, who died yesterday afternoon, will be held Saturday afternoon at two o'clock from the home of its grandmother, Mrs. Mary Bohannon, 523 North Morgan street. Examination has proved that the baby did not suffer with diphtheria as was reported.

The Brewer Musical entertainers will appear in Glenwood on Tuesday evening February 29th. The company consists of Mrs. Eleanor Brewer, accompanist and manager, and her two daughters Grace Montana, violin, trombone, piano and vocal soloist, and Ruth M. Brewer, reader and clarinet soloist. The public is invited to attend.

Best by Test, Fair Promise 5c Cigar

## FEEL YOUNG!

It's Dr. Edwards' Olive Tablets For You!

Beware of the habit of constipation. It develops from just a few constipated days, unless you take yourself in hand. Coax the jaded bowel muscles back to normal action with Dr. Edwards' Olive Tablets, the substitute for calomel. Don't force them to unnatural action with severe medicines or by merely flushing out the intestines with nasty, sickening cathartics.

Dr. Edwards believes in gentleness, persistency and Nature's assistance. Dr. Edwards' Olive Tablets open the bowels; their action is gentle, yet positive. There is never any pain or griping when Dr. Edwards' Olive Tablets are used. Just the kind of treatment old persons should have. Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil, you will know them by their olive color. Take one or two occasionally and have no trouble with your liver, bowels or stomach. 10c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O.

## P. J. Lynch Stands Well at Home

A man's friends and neighbors know him best and their opinion may always be relied upon. The candidate who stands well at home is bound to make a good public servant. On the contrary a candidate that does not possess the confidence of his neighbors is impossible as a candidate for public place.

Patrick J. Lynch of Newcastle, whom the Republicans of the great Sixth District of Indiana will name as their candidate for congress at the primary election on March 7th is known in his home County of Henry as a man of the highest probity, and honor, without a blemish upon his character, foremost in every civic improvement, the head of a great business enterprise and as a clean, able man of more than ordinary talents he possesses the confidence of his neighbors in all walks of life.

Mr. Lynch's friends and neighbors in Henry County—the men with whom he mingles and does business recently assembled in a great mass convention in the city of Newcastle and there heartily endorsed the candidacy of Mr. Lynch and commended him in the strongest possible language to the Republicans of the Sixth District.

This is the answer of his neighbors and friends as to Mr. Lynch's popularity in his own home county:

We, the Republicans of Henry County, in mass convention recognize in Patrick J. Lynch an able and enthusiastic advocate of the Republican Party, an honorable citizen of Henry County and a fit and proper person to represent the Sixth Congressional District in the Congress of the United States, and therefore we recommend his candidacy for that office.

In addition to this the Republican County Committee of Henry County, the governing body of that party in that county, passed resolutions heartily endorsing the candidacy of Mr. Lynch as a candidate for the Republican nomination for Congress.

Mr. Lynch when a candidate for Congress in 1914 in the District received more votes than the head of the ticket, Hugh T. Miller.

As a campaigner it is generally conceded that Mr. Lynch has not a peer in the State of Indiana. In this present campaign for nomination he will have made when finished over one hundred speeches, visiting every nook and corner of the district.

Predictions are freely made by close observers that he will carry every county in the district by an overwhelming majority, including Wayne county.

The Republican party in this district in the forthcoming campaign needs a vigorous, able campaigner and as a business man standing for the protective tariff, merchant marine and reasonable national defense, Mr. Lynch with his experience, wide acquaintance in the district and his ability as a public speaker can bring victory to the party. With a divided party in 1914 he was almost successful—with a united party in 1916 when nominated he will carry the district by five thousand majority.

(Advertisement.)

## To the Voters of Rush County

I wish to appeal to the Republican voters of Rush County for their support in the coming Primary Election, as I am a candidate for the nomination of Sheriff.

I have been a HARD WORKING REPUBLICAN during all of my life, and not only myself, but all of my people, have always been LOYAL supporters of the G. O. P. I have never held office, neither has any of my people and I assure you that your support will be appreciated and that when nominated and elected I sincerely promise that I will conduct the office with care and credit, and that you will have no regrets to offer during my term as an officer of the law.

Yours truly,

## Henry Clevenger

## Why pay Tire Bills for Others— —i. e., for RECKLESS Drivers

AMERICANS who want their money's worth,—who dislike to pay for the Reckless-driving extravagance of Others,—in the price of their own Tires, should sit up and take notice of following FACTS:—  
The current Goodrich "Fair-List" price on Tires, is based upon what it costs the largest, and best equipped, Rubber Factory in America to produce them.  
No "Insurance" Premium added to the NORMAL retail price of Goodrich Tires, in order to protect the Reckless Driver at the expense of the Careful Driver, through a fancy List Price which is high enough to absorb that Premium.  
The excess Mileage each Goodrich Tire is reasonably certain to deliver, when given reasonable care in driving, thus becomes clear "Velvet" to the Owner of GOODRICH Tires.  
Money can't make, and can't buy, better Tires of Fabric construction, than Goodrich Safety-Tread Tires, as Test will prove.  
And, money can't buy the B. F. Goodrich Co. to produce Tires which would discredit the 269 other lines of Rubber Goods made by the B. F. Goodrich Co., for which its name stands Sponsor.

COMPARE prices on Goodrich "Fair-List" Tires with present prices on any other responsible Tires in the field, bearing in mind that NO "LARGER-SIZED" Tires (type for type and size for size) than Goodrich Black-Treads, are made in America.  
Then, Test out at least ONE pair of Goodrich black-tread Tires, on their per-DELIVERED-Mile cost to you, against any other Tires in the field, at any price, and,— abide by the Result.  
Why (if YOU are not a Reckless Driver) should YOU pay MORE than the "BUSINESS" price of the Goodrich Tire, for ANY Fabric Tire in the field?  
Get a sliver of the new Goodrich "Barefoot" Rubber from your nearest Goodrich Dealer or Branch.

THE B. F. GOODRICH CO.  
Akron, Ohio.

## ALL READY FOR THE TOURNAMENT

Basketball Fans Are Expecting Hot  
Series of Games at Local Gymnasium Saturday.

### MUCH INTEREST AROUSED

Six Quintets Will Compete and Dope  
is That Rushville Has Good  
Chance to Win.

Everything is in readiness for the basketball tournament to be held here tomorrow. It has been several years since a high school event created as much interest in local school circles.

The drawings of places in the tournament will take place tomorrow morning shortly before the first game is started. The opening game is scheduled to begin at ten o'clock. There will be two games Saturday morning, two in the afternoon and the final game for the championship will be played at night.

According to word received from the cities participating in the tournament, each school will send large delegations of rooters and the capacity of the gym will likely be taxed. The teams to take part are Shelbyville, Connorsville, Greensburg, Rushville, Milroy and Carthage. The sale of tickets has been large in all of the cities.

Local dopsters have been busy this week figuring out the chances of the Rushville team. The Rushville fans are confident that their team will win and this has been strengthened since the announcement that Stoops, star forward, would participate in the games. The local followers of the game have figured that since Rushville has defeated every team to take part in the tournament, with the exception of Carthage and Milroy, on the local floor, there is no reason why the team should not repeat.

The team that wins the tournament will have to win three games. The only question is whether the Rushville team can stand up under this strain. Rushville has defeated Greensburg, Shelbyville and Connorsville on the home floor and while the Rushville team has not played Milroy or Carthage, the fans believe these two teams will not give the locals any great trouble.

Connorsville and Shelbyville play tonight at Connorsville and this should prove a help to Rushville if the game there should be a hard one. The dope figurers here believe that the finish will be between Shelbyville and Rushville. The Rushville team has not lost a game on the home floor and the team is going to try and keep up this record.

Coach Burns has been working the team hard this week and every member is in good condition for the games. The locals will enter the first game with the regular lineup which is as follows: Caron and Stoops, forwards; Martin, center; Reed, Dye and Frazier, guards.

Charles Caron was taken to the Sexton sanatorium today to undergo an operation for appendicitis tomorrow.

## NEW SALEM WINS GAME

Independents Defeat Orange at New Salem, 20 to 17.

The New Salem independent basketball team defeated the Orange independents at New Salem Wednesday night, 20 to 17. It was a rough and hard fought game, in which the interest never lagged. New Salem wants games with independent teams. Phone or address James Moore of New Salem. The line-up and summary of Wednesday night's game was as follows:

New Salem (20)	Orange (17)
Carr	F C. Beaver
Tilley	F Hitchell
C. Beaver	C R. Beaver
Moore	G Meeker
H. Beaver	G Houchins
Field goals: New Salem—C. Beaver, 7; Tilley, 1; Orange—C. Beaver, 5; Meeker, 2; foul goals: New Salem—C. Beaver, 4; Orange—C. Beaver, 1.	

## "TIZ" GLADDENS SORE, TIRED FEET

No puffed-up, burning, tender, aching feet—no corns or callouses.

"Tiz" makes sore, burning, tired feet fairly dance with delight. Away go the aches and pains, the corns, callouses, blisters, bunions and chilblains.  
"Tiz" draws out the acids and poisons that puff up your feet. No matter how hard you work, how long you dance, how far you walk, or how long you remain on your feet, "Tiz" brings restful foot comfort. "Tiz" is magical, grand, wonderful for tired, aching, swollen, smarting feet. Ah! how comfortable, how happy you feel. Your feet just tingle for joy; shoes never hurt or seem tight.  
Get a 25 cent box of "Tiz" now from any druggist or department store. End foot torture forever—wear smaller shoes, keep your feet fresh, sweet and happy. Just think! a whole year's foot comfort for only 25 cents.

## Tooth Loose? Watch out for Pyorrhea!

When you find a tooth that gives back and forth, even just a little, see your dentist at once.

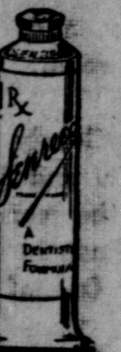

He will find conditions which you might overlook. He will find a gum recession, even though slight, where the gums have pulled away from the teeth. And he will tell you that you have the dread disease pyorrhea.

From pyorrhea come by far the greater part of all tooth troubles. Unless treated and checked, it will result not only in the shrinking and malformation of your gums and of the bony structure into which your teeth are set, but in the loss of the teeth themselves.

A specific for pyorrhea has been discovered recently by dental science, and is now offered for daily treatment in Senreco Tooth Paste. Senreco combats the germ of the disease. Its regular use insures your teeth against the attack or further progress of pyorrhea.

But Senreco does more. It cleanses the teeth delightfully. It gives them a whiteness distinctive of Senreco alone. Its flavor is entirely pleasing, and it leaves in the mouth a wonderful sense of coolness and wholesomeness.

Start the Senreco treatment before pyorrhea grips you for good. Details in folder with every tube. A two-ounce tube for 25c is sufficient for 6 weeks' daily treatment. Get Senreco of your druggist today; or send 4c in stamps or coin for sample tube and folder. Address The Sentinel Remedies Company 503 Union Central Building, Cincinnati, Ohio.

Edited by Miss Frances Frazee.

### FOR MISS HAYDON.

Complimentary to Miss Clara Haydon, of Lexington, Ky., who is visiting here, Dr. and Mrs. Carl Beller are entertaining the following guests at dinner this evening, Mr. and Mrs. Ben Humes, Mr. and Mrs. Gunn Haydon, and Rich Wilson.

\*\*\*

### FAMILY DINNER.

An unusually pleasant family gathering is the one this evening at the home of Mrs. Mary Dixon, when she is entertaining Mr. and Mrs. Hugh Mauzy and daughter, Judith, Mr. and Mrs. C. A. Mauzy, Louis Mauzy, and Mrs. George Dehority, of Elwood.

\*\*\*

The lovely and modern new home of Mr. and Mrs. Claude Crane has been the scene for a series of housewarmings in the form of Rook parties. One of the most pleasant of these was given this afternoon, when four tables of players assembled and participated in the fascinating rounds of the popular game. A delicious repast was served to the guests during the delightful afternoon.

\*\*\*

### R. N. A. DANCE.

Invitations are out for the dance to be given on Thursday evening, March 2d, by the girls of the Royal Neighbors of America. It will be given in the Phi Delta Theta hall. The committee in charge of the affair are Mr. and Mrs. Ben Manliet, the Misses Ethel Oakley, Adeline West, Grace Roth and Elizabeth Jones.

\*\*\*

### LEAP YEAR DANCE.

All hopes for a good time at the Leap Year dance given by the Knights of Pythias were exceeded last evening when over forty merry couples gathered and joined in the jollity of the affair. Informality prevailed and was emphasized in several pleasurable circles. Good music by Mitchell's three-piece orchestra added life and enjoyment of the evenings festivities. Among the dancers were Mr. and Mrs. Arthur P. Reynolds of Glenwood.

\*\*\*

The Ladies Aid society of the Sexton C. W. B. M. celebrated Washington's birthday with a pitch-in supper at the home of Mr. and Mrs. Fred Oldham, which was followed by an appropriate program. The husbands of the members of the society were guests and showed their appreciation by the generous offering which they gave to the society. After the elaborate supper was served, Mrs. Orville Porter presided over the meeting and the guests enjoyed the entertaining program.

\*\*\*

### KNIGHTS OF MACABEES

After the regular business meeting of the Knights of Macabees held

last evening in the hall of the Sons of America, an elegant supper was served to the twenty or more members present. During this social part of the meeting the men enjoyed an unusually jovial time together. The sumptuous supper served by Mrs. Webb and Mrs. Gregg was the crowning feature of the evening, as the men gathered about the tables and enjoyed the repast.

\*\*\*

### THETA REUNION

All Indiana Thetas are anticipating with great pleasure the luncheon and dance tomorrow when the main feature of the good time enjoyed will be the meeting of classmates and college friends from near and far. Among the Thetas and their invited guests who will attend either one or both of these brilliant functions, which will be given in the Claypool Hotel, are Mrs. A. L. Gary, the Misses Pearl and Carrie Kitchen, Genevieve Brown, Edith and Erema Wilk, Janette Clark of Muncie, Lonise Craig and Mrs. George Dehority, of Elwood, and Posey Denning, Lawrence Clark, Perry O'Neal, Louis Mauzy and Scott Buell.

\*\*\*

### ALL DAY MEETING.

The Ladies Aid Society of the Hannegan church met at the home Mr. and Mrs. John D. Fleener on Wednesday with an all day meeting. During the pleasant hours, the ladies quilted together and accomplished quite a bit as a result. A sumptuous dinner was served at noon to the guests, who included Mrs. William Newhouse and son, Leon, Mrs. Carr Leisure, Mrs. Powell, Mrs. Luther Ricker and daughter, Evelyn, Mrs. Alvah Newhouse, Mrs. John Ellison, Mr. and Mrs. George Adams, Mr. and Mrs. Henry Addison, and Mr. and Mrs. Alvah Junken.

\*\*\*

### BRILLIANT RECEPTION.

Honoring Mr. and Mrs. Lowell Vickery, who were married Tuesday night, the parents of the bridegroom, Mr. and Mrs. Vickery gave a reception last night at their lovely home in Falmouth. The young couple was radiant as they received the guests, who included about fifty of their friends. Bridal decorations were suggested in the profusion of floral appointments. Smilax was gracefully twined over the chandeliers and mantles, while huge bunches of vari-colored carnations welcomed the guests into each room. Roses, too, were used in creating this floral bower. In this sitting, the guests enjoyed a short talk by the Rev. G. F. Powers, several fascinating recitations by Miss Mary Hinchman, and music throughout the evening. In the dining room, daintily appointed refreshments were served.

### MUSICALE

Miss Helen Black will be hostess for the Ladies Musicale Monday afternoon at her home in North Jackson street. The program, which will be in charge of Miss Marie Clawson, will be on American composers. A paper by Mrs. Lon Kennedy will be one feature of the afternoon.

\*\*\*

### LAUGH-OUT CLUB

With as jolly a time as the name suggests, the members of the Laugh-Out Club were entertained at dinner yesterday by Mrs. Hollingsbeet her home north of the city. The amiable company of ten guests gathered in the morning to enjoy several hours together, while at high noon a bountiful dinner was prettily served. Just as merry were the afternoon hours, for the guests who enjoyed a chat over their sewing.

\*\*\*

### PIE SOCIAL.

C. J. Osborne of Vincennes, who is State Consul, of the Modern Woodmen added a great deal of pleasure to the gathering held in the Woodmen hall last evening. During the first part of the affair, Mr. Osborne gave an interesting and instructive talk on the work and standing of the order. Several emphatic statistics were given, showing that the lodge has been organized for 33 years, and that at the end of last year, a balance of over 13 million dollars, belonging to the order was out on loan.

Dancing and several social diversions, made the hours pleasant ones. Pies were auctioned off, one of them bringing seventy cents. These furnished refreshments for the affair. In the pie eating contest, which was the cause of a generous amount of merriment, Clifford McGinnis proved to be the winner.

## CONGRESS WILL HOLD UP PLANS

Continued from Page 1.

We told him the house would pass such a resolution if necessary to avoid war with Germany. But we told him we would not embarrass him at present and would postpone any action until a war crisis is reached."

Senator Lodge, ranking Republican member of the foreign relations committee supporting President Wilson's position.

"I believe it would proclaim us to the world as cowards to tell our citizens that they must not exercise their rights and that if they do so we shall protect them," he said. "Of course I shall stand by the president."

Senator Gore's long-heralded resolution was introduced.

Arguments by Senator Clark, Democratic House Leader Kitchen and Chairman Flood of the house foreign affairs committee today

### DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

### RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25-cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

failed to move President Wilson from his policy towards Germany.

After a conference of nearly an hour the president and house leaders were still in disagreement over the question of warning Americans to stay off armed merchantmen.

The result of the conference was that no action will be taken by congress today at least.

The president emphatically told the house leaders he would not budge from his plans of insisting that Germany recognize every American right.

Speaker Clark has positively told the president that sentiment in the house is overwhelmingly in favor of a warning resolution.

It is not believed the house will reach a decision before next week. The Democratic leaders promised that they would do their utmost to prevent summary action on the part of the house.

The three Democratic leaders, all of whom favor a warning resolution, were closeted with the president from nine o'clock until 9:50. Speaker Clark was spokesman.

"I told the president what the sentiment of the house is," said Speaker Clark emphatically as he left the white house. "The letter of the president to Senator Stone and Senator Stone's letter to the president," continued Clark, "are the last words on the two sides of the question."

### SCALES ASKED TO RESIGN.

(By United Press.)

Indianapolis, Ind., Feb. 25.—Governor Ralston today confirmed a report from Evansville that he had asked T. D. Scales, state tax commissioner,

RUSHVILLE INDIANA

### EXTRA LARGE AND SPECIAL SIZES

In all grades supplied for us by the mill. Prompt delivery is assured. Whether you cover your floors with Rugs, Ingrain or Brussels Carpet we can save you money. We lay floor coverings of all kinds and guarantee satisfactory workmanship.

## PUT STOMACH IN FINE CONDITION

Says Indigestion Results from an Excess of Hydrochloric Acid.

Undigested food delayed in the stomach decays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells us that indigestion is caused by Hyper-acidity, meaning, there is an excess of hydrochloric acid in the stomach which prevents complete digestion and starts food fermentation. Thus everything eaten sours in the stomach much like garbage sours in a can, forming acrid fluids and gases which inflate the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we belch up gas, we eructate sour food or have heartburn, flatulence, water-brash or nausea. He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescent and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices. Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salts is used by thousands of people for stomach trouble with excellent results.

## GETS ATTENTION IN THE SCHOOLS

Vocational Education is Being Emphasized by Authorities Many Places.

Z. M. SMITH'S WORK RECALLED

Outline of Activities Throughout State Shows How Much Interest it Really Holds.

Vocational agriculture is attracting much attention in Indiana schools. Prof. Z. M. Smith of the State Department of Public Instruction has summarized the activities of agricultural instructors in the vocational department. Those demonstrate that the school is being directly and actively related to the work of the farm home and community.

L. R. Romine of Mooresville is endeavoring to create interest in vocational work by assisting the farmers in organizing a community betterment association. The association has been organized into committees:— 1. Information and investigation. 2. Program and entertainment. 3. Home Economics. 4. Vocational Agricultural School. 5. Marketing. 6. Business men's interests.

Wm. A. Douglas, Franklin, Union Township School, Johnson County reports that interest is increasing in the night school. He now has a class of "out of school" boys who come in one day each week.

John Little of Fairmount has given his boys the task of caring for an orchard near the school building. In addition to the orchard work the boys have made purity tests of small seeds.

L. T. Beck of Carlisle has created interest in poultry. At the poultry show on January 7, 1916, one hundred and sixty birds were exhibited. The exhibit was visited by 500 people. As a direct result of this show and the 7th and 8th grade work in poultry six families have bought pure bred poultry for breeding purposes; five families are preparing breeding pens and trap nests; eight are feeding better rations for laying hens and are keeping records. One man, a miner, who has 39 hens, reported that the 39 hens layed 250 eggs in December and 589 in January. A farmer reported that never before had his hens layed in winter. His hens produced 45 eggs per day in January.

O. E. Ackerson of Monticello is connecting the work in soils with the home problems of the boys by having the boys bring in samples from the home fields. They are endeavoring to find out why some of their soil is cold, hard, compact. Five of his boys are feeding pigs as home projects.

C. O. Tuttle, Arcadia, sent out letters announcing his intention of conducting three sessions of evening class work in dairying at the Brown School House. A post card addressed to Tuttle was enclosed. On the card was the statement, "I am interested in the problem of Feeding for Milk Production and promise to take part in all three of the meetings at the Brown School House." To one invitation of this kind eleven men responded by enrolling for the work.

On January 28th Tuttle closed his eight weeks course in soil fertility. The average attendance for the eight weeks was eleven. This class was made up of "out of school" boys. Each of them replanned the home farm and planned a system of crop rotation which is to be carried out by the boys and their fathers.

A special bulletin will soon be published giving full information on this work. Other communities should plan to do similar work at an early date. It is needed and the people will welcome it.

## BILL PROPOSES PARTISAN BOARD

Rep. George W. Fairchild of New York Gives This Estimate of Administration Measure

FOR A TARIFF COMMISSION

It Not Only Suggests, But Invites And Insures Partisan Action, he Says.

Washington, Feb. 25.—A more partisan tariff commission than that proposed by the bill introduced for the Wilson administration could scarcely be devised.

This statement was made by Representative George W. Fairchild of New York, a member of the Ways and Means Committee, after a careful analysis of the provisions of the administration tariff Commission bill.

"The establishment of a tariff commission the powers of which even suggest a partisan report is neither necessary, valuable nor desirable," said Mr. Fairchild. The Democratic tariff commission bill not only suggests but invites and insures partisan action.

"The bill contains two provisions stamping it as a partisan measure.

"First, section 3 provides, among other things, that the commission, five in number, shall 'investigate the administration and fiscal effects of customs laws now in force or to be hereafter enacted, the effects of ad valorem and specific duties, and the operation and effects of the customs tariff laws, including their relations to the federal revenues.'

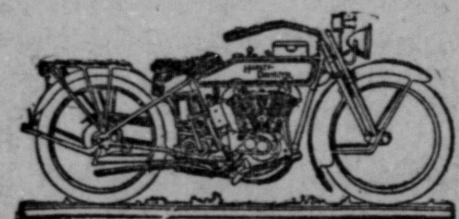

"A report on the 'effect' of a tariff can only be an expression of opinion of the men making the report. Since the bill specifically permits the appointment of a majority of the same political faith on the commission such majority would unquestionably render an opinion in conformity with the tariff policy of the political party from which they were chosen, thus completely destroying the non-partisan character of the commission.

"Second, the partisan character of the administration bill is further emphasized by a provision that the Commission shall report, not to Congress itself, but to the two tariff-making committees of Congress, the Ways and Means Committee of the House and the Finance Committee of the Senate.

"Each of these committees is absolutely partisan, appointed for the purpose of reporting tariff measures that reflects the tariff policy of the party in power. Republican members of the Committee were not permitted to share with the Democratic members in drafting the Underwood bill, and this is the custom usually followed.

"It must be perfectly clear, therefore, that with a partisan tariff commission instructed to report to a partisan committee, bound by party platforms to legislate in conformity with the tariff policy of such party, nothing but the most extremely partisan tariff bill could be the result.

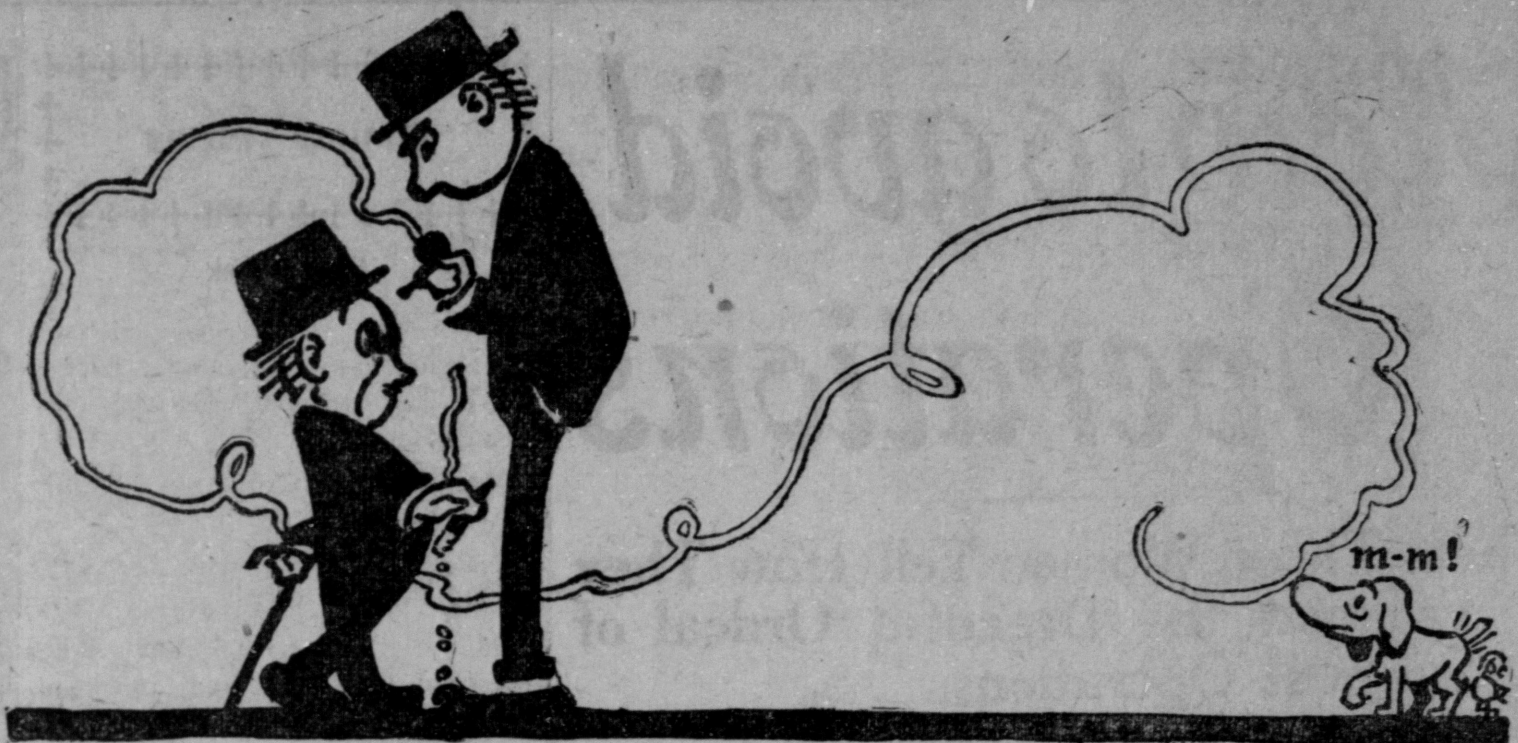

"From every point of view the Wilson tariff commission bill is a step backward rather than forward, and should be opposed by everyone who favors the appointment of scientific, non-partisan tariff commission."

The 1916 Harley-Davidson motorcycle is here—Come in and see it today.

James Foley

223 N. Morgan St.

No, Philburt, I am not a-arguing with you. I'm just a-telling you

—when you want a *real* smoke, get behind a pipeful of Tuxedo and watch all the big and little Worries that have been a-besieging you, evacuate their trenches and make a rushin' advance to the rear. Those fragrant whiffs of "Tux" make them feel too joyful—no self-respecting Worry can stand for that.)

FRITZ KREISLER  
World-famous Violinist  
"I have certainly found in Tuxedo the one and only tobacco that measures up to all my requirements, rich in fragrance, always cool smoking and so mild that I can smoke pipeful after pipeful at a sitting."

*Fritz Kreisler*

YOU CAN BUY TUXEDO EVERYWHERE

Convenient, glassine wrapped, moisture-proof pouch . . . 5c  
In Tin, Humidor, 40c and 80c

Famous green tin with gold lettering, curved to fit pocket 10c

THE AMERICAN TOBACCO COMPANY

# Tuxedo

The Perfect Tobacco for Pipe and Cigarette

The combination of the best smoking-tobacco leaf in the world and the best method ever discovered for refining and mellowing tobacco puts Tuxedo in a class by itself.

Kentucky's ripest, mildest Burley leaf, when treated by the original "Tuxedo Process" loses every trace of bite—develops a wonderfully pleasing fragrance and flavor that are not found in any other tobacco.

No other manufacturer knows the "Tuxedo Process"; that's why no imitator ever equals Tuxedo!

## Public Sale

We, the undersigned, will offer for sale at Public Auction, at the "Pleasant View" Farm of L. B. Weaver, located 6 miles southwest of Rushville, on the King pike, known as the Old Bennie Joyce farm, and 3 miles north of Milroy, on

THURSDAY, MARCH 2, 1916

# How to avoid Operations

## These Three Women Tell How They Escaped the Dreadful Ordeal of Surgical Operations.

Hospitals are great and necessary institutions, but they should be the last resort for women who suffer with ills peculiar to their sex. Many letters on file in the Pinkham Laboratory at Lynn, Mass., prove that a great number of women after they have been recommended to submit to an operation have been made well by Lydia E. Pinkham's Vegetable Compound. Here are three such letters. All sick women should read them.

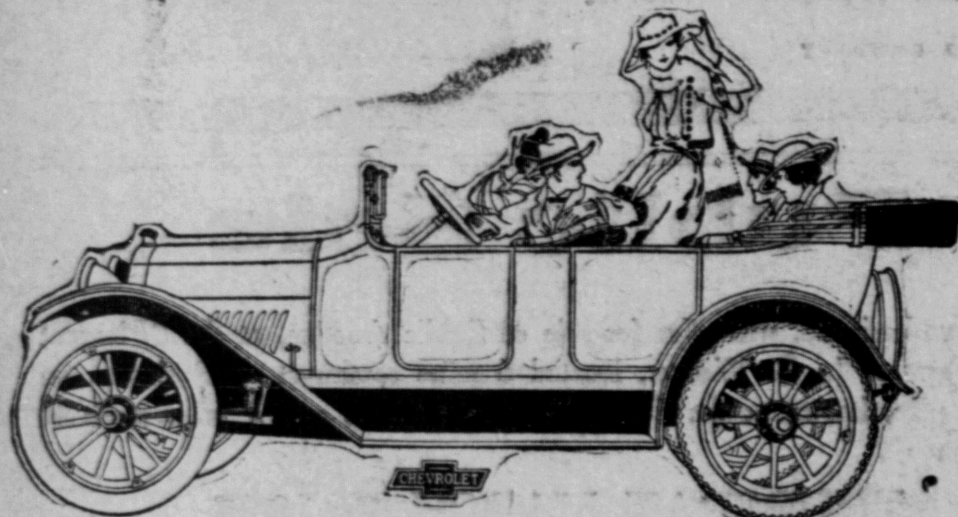

Marinette, Wis.—"I went to the doctor and he told me I must have an operation for a female trouble, and I hated to have it done as I had been married only a short time. I would have terrible pains and my hands and feet were cold all the time. I took Lydia E. Pinkham's Vegetable Compound and was cured, and I feel better in every way. I give you permission to publish my name because I am so thankful that I feel well again."  
—Mrs. FRED BEHNKE, Marinette, Wis.

Detroit, Mich.—"When I first took Lydia E. Pinkham's Vegetable Compound I was so run down with female troubles that I could not do anything, and our doctor said I would have to undergo an operation. I could hardly walk without help so when I read about the Vegetable Compound and what it had done for others I thought I would try it. I got a bottle of Lydia E. Pinkham's Vegetable Compound and a package of Lydia E. Pinkham's Sanative Wash and used them according to directions. They helped me and today I am able to do all my work and I am well."  
—Mrs. THOS. DWYER, 989 Milwaukee Ave., East, Detroit, Mich.

Bellevue, Pa.—"I suffered more than tongue can tell with terrible bearing down pains and inflammation. I tried several doctors and they all told me the same story, that I never could get well without an operation and I just dreaded the thought of that. I also tried a good many other medicines that were recommended to me and none of them helped me until a friend advised me to give Lydia E. Pinkham's Vegetable Compound a trial. The first bottle helped, I kept taking it and now I don't know what it is to be sick any more and I am picking up in weight. I am 20 years old and weigh 145 pounds. It will be the greatest pleasure to me if I can have the opportunity to recommend it to any other suffering woman."  
—Miss IRENE FROELICHER, 1923 Manhattan St., North Side, Bellevue, Pa.

If you would like special advice write to Lydia E. Pinkham Med. Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

### County News

#### Plum Creek

There were eighty-seven at Sunday school last Sunday. Larger crowds are expected when the weather gets nicer.

Mrs. Iva Smalley is reported afflicted with a severe illness.

Charles Eskew spent a few days at Indianapolis this week.

James Durham and family were guests of T. B. Scott and family last Sunday.

Mr. and Mrs. Wilbur Gordon were the guests of the latter's parents near Occident last Sunday.

John Clifton has purchased a new automobile.

George W. Kemmer and family entertained last Sunday Mr. and Mrs. Welcome Aiken and son Harold Welcome.

George Billings, who has been sick for several days, is reported to be better.

Mrs. Ed. Hood spent a few days at Greensburg, with her brother, Andy, and family.

Mrs. Walter Crull was operated on for appendicitis at the Sexton sanatorium at Rushville last Sunday.

Mr. and Mrs. O. H. Benham and Mrs. Aiken of Columbus are guests of Mr. and Mrs. Welcome Aiken this week.

A large crowd attended the sale of Flem Johnson & Sons last Tuesday.

#### New Salem.

Charley Wamsley, who has been threatened with pneumonia, is better.

Mrs. Wagoner and daughter Orpha of near Rushville spent Tuesday, the guest of Mr. and Mrs. Fred Maple.

John Farrington, who sustained an injury to his back a short time ago, is improving.

The last number of the lecture course will be given Thursday night by the "Swanee River" quintet at the M. P. church.

Fred Matney, who recently underwent an operation for appendicitis, is able to be out again.

#### Orange Township.

Mrs. Will Major was a visitor in Indianapolis Wednesday. She visited her father, who is at the hospital there.

Mr. and Mrs. Clarence Greenwell of Kentucky are visiting relatives here.

Orval Headlee and family have moved to their home in Adams.

Robert Morris and family have moved into the Orval Headlee property in Gowdy.

Walter Culliver and family of Moscow have moved into the Robert Stewart property at Gowdy.

Mr. and Mrs. Floyd Branson of Homer visited Mr. and Mrs. Mort Campbell Sunday.

Several from this vicinity attended the Miller-Jackson sale last Monday.

There were 66 attended Sunday school at Moscow Sunday.

Green Thompson, east of Moscow is visiting his brother, Andy Thompson of Gowdy.

A driver, delivering some groceries for the Benning Bros. of St. Paul, met with quite a serious accident this week. While driving north out of Moscow, his wagon upset and the boxes of goods fell upon the driver. Dr. Jewett of St. Paul was called to dress the wounds and took him back to St. Paul.

Mrs. Owen Carpenter is visiting in Indianapolis this week.

Conrad Kuntz will have a sale soon, preparatory to an extended visit in the South for Mrs. Kuntz's health.

Mr. and Mrs. Will Lewis will move this week to a farm near Fairland, which they recently purchased.

Mr. and Mrs. James Honey visited at Robert Campbell's Thursday.

A man will tighten his belt and chase a rabbit all day without a thought of hunger or fatigue. But when his wife wants an armful of wood he promptly sends the kid. Shoe pinch?

## COMES TO FRONT AS WOOL MARKET

Boston Handled More Last Year, According to Unofficial Figures, Than London

OVER 3 MILLION POUNDS

(By United Press.)

Boston, Feb. 25.—All previous records for the amount of wool handled in this country were broken in 1915, according to the textile records just compiled here and when the final statistics become available it probably will be shown that Boston has superseded London as the world's largest single wool market. London seldom sells more than a million bales annually, or not much in excess of 350,000,000 pounds, and the corrected figures for 1915 probably will disclose a smaller amount.

Imports to the United States based upon authorities, aggregated 340,510,022 pounds and though the final Government import statistics may modify this somewhat, they are a close approximation. Added to the domestic clip for the season they give a grand total of more than 600,000,000 pounds. The figures demonstrating Boston's importance as a wool mart are based upon statistics of receipts compiled by the Boston Chamber of Commerce. The total figure for Boston is 393,110,394 pounds, which represents Boston's wool sales for the year. This is in excess of the quantity of wool handled in any other city.

G. & C. MERRIAM CO., SPRINGFIELD, MASS.

Vote for "33" Ezekiel M. Jones (better known as "Zeke") a Republican Candidate for Sheriff, from Ripley Township, Rush County, at Primary March 7, 1916.

I have found it absolutely impossible to see all of the voters before the Primary to solicit their support for my candidacy for Republican nomination for Sheriff of Rush County, but I desire to say that I have always been a loyal, staunch and true blue Republican. I live in Ripley Township now and cast my first vote in Rush County for James G. Blaine. I nor any of my immediate family have never held nor asked for any public office nor have I been the nominee for any except that I was a candidate in 1912 for Sheriff of Rush County and withdrew on the fourth ballot in the county delegate convention, and went out and worked my best for the ticket, as I always have done.

FOR REFERENCE to my Republicanism or qualifications for this office I refer you to any business man or bank in Rush county.

I CAN BE ELECTED IF NOMINATED.

My number on ballot will be 33 on all ballots

I thank you in advance for your support, Yours Very Truly,

Ezekiel M. Jones

A RUSHVILLE MAN'S EXPERIENCE.

Results Tell the Tale.

Can you doubt the evidence of this Rushville citizen?

You can verify Rushville endorsement.

Read this:

Harrison Levi, 931 North Sexton street, Rushville, says: "I used to have to get up six or seven times, each night on the account of the too frequent passages of the kidney secretions. Often they were scanty and accompanied by pain. I also had severe backaches. Nothing ever did me any good until I began taking Doan's Kidney Pills, procured from Johnson's Drug Store. It didn't take them long to fix me up. The pain left and my kidneys became regular in action." (Statement given July 27, 1912.)

A Permanent Cure.

On Aug. 25, 1915, Mr. Levi said: "I am glad to confirm by former endorsement of Doan's Kidney Pills, for they have given me a permanent cure."

Price 50c. at all dealers. Don't simply ask for Kidney Pills—same that Mr. Levi has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

ONE STREET NAME IS NOT DUPLICATED ANY PLACE

Continued from Page 1.

street, that's a rather uncommon street name. But opinions change on perusal of that street directory. There are fifty-two other towns and cities in the United States that boast a Perkins street. Then, too, there are some Perkins avenues, courts, alleys, etc.

There are oodles and oodles of Morgan streets—so many that it was hardly thought worth while to count them. They are in towns all the way from Aberdeen, Wash. to New London, Conn., and West Point, Miss. Such towns as Kokomo have a Perkins street in their city directory.

One would naturally think that Hannah street was an unusual name. But 'tis not so. There are thirteen others of the same species, not counting Rushville. Huntington is the only Indiana city aside from Rushville with a Hannah street.

Now Sexton street is a little more aristocratic. Joliet, Ill., New Britain, Conn., and Providence, R. I. are the only other cities besides Rushville that have a Sexton street.

Of course, most every city just numbered streets one, two, three, and so on because it was convenient, but it may be interesting to know that there are more Main streets listed than Firsts or any other numbered streets.

New York holds the world's record for the highest numbered streets. From one hundred and sixty-second on, New York has no competition. The highest numbered street in New York is two hundred and sixty-second.

But reverting back to aristocratic, exclusive streets, Cerro Gordo has it. McClellane. Decatur, Ill. is the one on all the streets in Rushville, except only other city besides Rushville that can lay claim to a street named Cerro Gordo.

Oliver, too, is a favorite with those who name streets. Cherry is as common as dirt, and Water is a by-word when it comes to street names. Jackson is a close second. Harrison lays claim to many a city, and Washington street—when they lay out a town they always christen the principal street Washington or Main. There's nothing uncommon about Willow either.

Commissioners' Sale of Real Estate.

We, the undersigned, commissioners, will offer at private sale on

Thursday, March 16, 1916,

and from day to day thereafter until sold, one hundred (100) acres of land two (2) miles southeast of the town of Homer in Rush county, and a residence property in the town of Homer. Said real estate was formerly owned by Nancy Miller, deceased. TERMS OF SALE—One-half cash and one-half in one year, or all cash at the option of the purchaser.

To anyone desiring to purchase a good farm or a small residence property in the locality above designated, we recommend an inspection of the properties named.

Bids will be received at the Manilla Bank, Manilla, Indiana, and at the law office of Samuel Innis, Kiplinger & Smith and John A. Tittsworth, attorneys, at Rushville, Indiana, and Osborn & Hamilton and Tremain & Turner, at Greensburg, Indiana.

LEONIDAS H. MULL,  
JOHN E. OSBORN,

Commissioners.

## Swift's Fertilizers Continue to Make Winners

If you used Swift's Fertilizer and obtained the best yield in the state you would, of course, give our fertilizer the credit that was due it. NOW, if the following year's Champion used Swift's and this performance repeated from year to year, you naturally would begin to think that Swift's Red Steer Brand is a pretty good fertilizer, would you not?

### Look at the Record and Decide Yourself.

There can be no better proof of the value of a fertilizer than the records made by those who use it. There must be merit in a fertilizer that produces the results stated below:

Mr. Will Essig, Tipton, Indiana—131 bushels corn per acre. The largest yield of which there is any record in Indiana. Mr. Essig was recently awarded a gold medal at the Panama Exposition. Used SWIFT'S.

Mr. Norris McHenry, Elizabethtown, Ind.—112 bushels per acre. Winner of the Indiana 1914 Men's Five Acre Corn Contest. Used SWIFT'S. In 1915 he was induced to use other than Swift's Fertilizer and got no prize.

Mr. F. R. McHenry, Norris' father—used no fertilizer in 1914 and won no prize, but as his son won the State Championship in 1914 with the aid of Swift's Fertilizer, Mr. McHenry used Swift's in 1915, got 87.3 bushels of ripe corn per acre and won the sweepstakes for men in the Bartholomew County Five Acre Corn Contest.

The 1st, 2d, 3d and 4th prizes for the highest yields of good quality corn in the 1915 Five Acre Corn Contest for men in Bartholomew County, Indiana, all went to users of Swift's Fertilizer. Also in the Boys' One Acre Corn Contest in the same county, the 1st, 2d, 3d and 4th prizes went to users of Swift's Fertilizer.

The Ohio 1914 Champion Corn Grower, Arnett Rose, Alger, Ohio—153.9 bushels—used SWIFT'S.

The Ohio 1915 Champion Corn Grower, Dewey Haines, Arcanum, Ohio—154 bushels—used SWIFT'S.

The Indiana 1914 Boy Champion Corn Grower, Roy Friedersdorf, Elizabethtown, Ind.—128.8 bu.—used SWIFT'S.

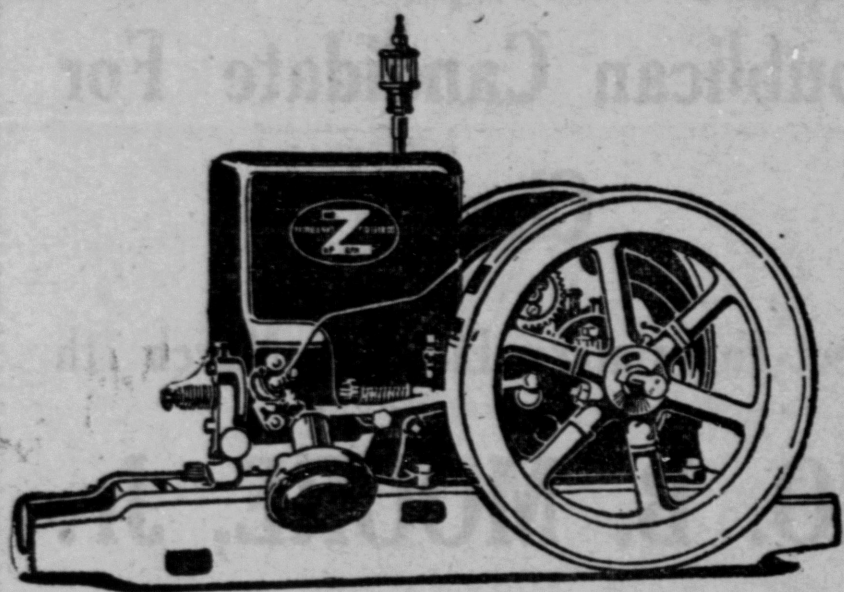

Gordon Reap, Elizabethtown, Indiana, who was third last year, is County Champion with 105.73 bushels. He also used SWIFT'S this year.

There certainly MUST be something in Swift's Fertilizers that PRODUCES RESULTS. Swift's blood, bone and tankage fertilizers make prize winners.

If YOU do not use Swift's Fertilizers, you are not sure that you are using the best fertilizer obtainable. You want the best—then buy SWIFT'S—the Red Steer Brand.

## PRIMARY ABOUT 2 WEEKS AWAY

As Far as Rush County is Concerned, Preparations For First Test Are Well Advanced

### SOME POINTS UNSETTLED

Qualifications of Voters Indefinite But That Will All be Cleared up, it is Stated

The primary election is less than two weeks away. All the preliminary arrangements for it are well under way. The election commission has seen to it that all declarations of candidates have been properly filed; his issued notices setting forth the nominations that are to be made and giving the polling place in each precinct, and has turned over to the Republican company the copy for the ballots. The township trustees have been notified to have ballot boxes painted to conform to the law, and the chairmen of the county committees have been instructed to prepare forthwith their recommendations for members of election boards. The preparation for the primary has taken considerable work, but the commission has been industrious, and the indications are that, as far as Rush county is concerned, everything will be in good shape by the time primary day rolls round.

As usual in primaries, a number of questions touching the qualifications of voters are arising. There is a conflict of opinion as to whether the young man who is not yet twenty-one years of age, but who will be in time to participate in the fall election, is entitled to vote in the primary. There is also a conflict of opinion as to whether the man who has not resided in a precinct long enough to gain a voting residence, but who will have established a voting residence by the time of the fall election is entitled to participate in the primary.

It is not unlikely that these questions will be submitted to a commission of lawyers within the next few days, with the understanding that the primary boards shall be guided by whatever ruling such commission makes. It is said that practically all local lawyers to whom the questions have been submitted have held that any man who will be entitled to vote in the November election, will be entitled to vote in the primary. If his name does not happen to be on the registration book supplied by the auditor, he can make an affidavit that he will be a legal voter in the precinct in the fall election, and having made such affidavit, it is said, will be entitled to vote in the primary. Such a ruling was made, it is understood, by the commission of lawyers, representing the republican, democratic and progressive parties, that was appointed by Gov Ralston to interpret the primary law. It sounds like a common-sense ruling for, obviously, if a man will be entitled to vote in the fall election, he should be entitled to a voice in naming the ticket he intends to vote for—should have the right to vote in the primary.

As far as is discernable at this time, there is a pretty general acceptance by the candidates and their organizations of the decree that the primary must be a clean contest. Practically everybody agrees that the only safe course is to track the law to the letter. There have been no indications up to this time of a purpose upon the part of any candidate to do anything else. No voter ought to be stupid enough to think of taking any other course.

## USES PROCESS TO KEEP EGGS

By Sterilizing Them They Can be Kept on Shelf Like Canned Goods—a New Method

### DIPPED IN PREPARED OIL

Said to Have Taken up The Problem Where The Cold Storage People Left Off.

(By United Press.)

Indianapolis, Ind., Feb. 25.—The time is at hand when eggs will be laid in while cheap and carried on the shelf like canned goods, or at least that seems to be the promise of the new sterilizing process for egg which is to be a topic for discussion by the Indiana Egg and Poultry convention here on February 29 to March 1.

O. C. Kimball, Hillsdale, Mich., an authority on the subject, will address the convention on March 1. While cold storage has done much to distribute the supply of eggs more evenly over the year, and make them available when Mrs. Hen refuses to work, the sterilized egg has done even more according to egg men. It has taken up the problem where the cold storage left off, and if the performance lives up to the promise the world will no longer have to be following the hen around to be sure of fresh fruit.

By the new method, which is simply one of dipping the egg into a specially prepared oil the formula for which is no secret, the egg is made non-fertile, the shell is sterilized, the air is extracted from the air space and a vacuum created, and the shell is hermetically sealed. According to those who have experimented with the process, every egg thereby is self-canned.

## EASY TO DARKEN YOUR GRAY HAIR

Try this! Mix Sage Tea and Sulphur and brush it through your hair, taking one strand at a time.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use tonic called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. You will also discover dandruff is gone and hair has stopped falling.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur and look years younger.

## CANDIDATE FOR CLERK Of the Circuit Court.

Subject to the Decision of the Republican Primaries March 7, 1916.

To the Republicans of Rush County:

As it is nearly impossible to see each one individually we are authorized to take this method of placing his name before the voters for their consideration.

### WHO IS HE?

He is a farmer, 48 years old, born and always lived on the farm where he now resides and received his education in the township and city schools.

He makes no claim to be entitled to the office any more than any other Republican that has always voted and worked for the party.

He does not say he needs the office to make a living as he is making a very good living where he is, but if nominated and elected he does

**FRANK C. BUELL**

not promise to give the salary away as he never saw any one yet who could not use another dollar or two.

He has been a Republican all his life; his father has been a Republican since the birth of the party; and his grandfather was a Whig before he was a Republican. None of them have ever held a county office or even asked for one.

If nominated and elected, he promises to serve the people to the best of his ability.

## Candidacy of Judge Daniel W. Comstock Endorsed by Republicans of Wayne Co.

The resolution, indorsing the candidacy of Judge Daniel W. Comstock for the Republican nomination as representative to congress from the Sixth Indiana district, passed at the Comstock rally at Richmond follows:

Be it resolved by the Republicans of Wayne county, Indiana, in convention assembled, that the Sixth Congressional District of Indiana should and must be redeemed from Democracy. To that end, we recognize that it is necessary that this county be carried by a re-united Republican party and thus give to said party its old time majority.

Be it further resolved that in the Hon. Daniel W. Comstock we recognize the man who can and will restore the harmony that is necessary to the success of the party. He is a man of high mental and moral attainments. He has served his country patriotically as a soldier in the Civil war; his state and county, as a legislator and a jurist of dignity and learning. There is no blot upon his character, private or public. There is no clique nor faction against him other than the Democratic party. His learning, legislative experience and legal attainments will at once give him recognition and high standing in the house of representatives. His record as a public official is such as to commend him to the peoples' cause in matters of national legislation.

Therefore, we, the Republicans of Wayne county, do hereby most heartily indorse the candidacy of the Hon. Daniel W. Comstock for representative in congress from this district and earnestly ask the other counties of the district to give us their aid in securing his nomination. We pledge them an old fashioned Republican majority in Wayne county if he is nominated.

**Buy Advertised Brands — They're Best**  
"Trade-marked" articles—things sold by NAME or DISTINGUISHING and IDENTIFYING BRANDS—must be kept at the highest standard of quality. The VALUE must never vary. For a maker to "cheapen" such an article would be to throw away the prestige he had fought so hard, and advertised so effectively, to gain.

## Read What the Users of the SIMPLICITY INCUBATORS Say

Mrs. Harold Moore says—It has given good satisfaction.

Mrs. Estella Oneal says—I am well pleased with our Incubator and it has done us good success. It can't be beat—the Best out.

Mrs. Roll Dearing says—I think my Incubator is one among the best. It is easy to operate and does not use much oil.

Mrs. Alva Webb says—I think they are as good as are made, for they are healthy in the house—no coal oil fumes comes from them and they give good results.

Mrs. Wilbur Warner says—Think it is fine. Got 105 chicks out of 110 eggs the last hatch. Got 160 from the first two hatches.

Mrs. Vern Harlow says—Just Fine is enough to say. Good hatch and strong, healthy chickens, also a good word for my None-Such Brooder.

Mrs. John Lucas says—I set my Incubator five times. I put 110 eggs in and I got on an average of 80 healthy chicks. I was well pleased.

Mrs. Jess Gray says—I think the Simplicity is all right—have had good hatches.

Mrs. Ora Beckner says—I had splendid hatches with my Incubator—have hatched from 82 to 96 chicks every time so far.

Mrs. O. M. Marton says—I like it very much—it is all right.

Mrs. Frank Hensley says—We have one of your Incubators and it is a good one.

Mrs. J. M. Maple says—I use the None-Such Brooder and I think it is fine, have used it one year, and would not do without it as long as I raise chickens.

Mrs. Idanna Ellison says—I like my Incubator as well as any I have seen, and it does as good work as any I have seen or that any of my neighbors who have other kinds.

Mrs. Roy Hensley says—I think my Incubator is very nice.

Mrs. Charles Lewark says—I think that my Incubator is just fine. Set it three times and it has hatched good every time.

The above says in plain words that the Simplicity is a real Incubator and one that can be depended on, and this means a good deal to you. What the above have done you can also do.

If you are interested in Incubators why not buy the best one that is being successfully used in 125 homes in Rush County.

Yours very truly,

## NATIONAL GATE BUILDING BURNS

Plant is Destroyed by Fire This Afternoon at Loss of \$5,000, With Small Insurance.

### STARTS IN PAINT SUPPLY

Pine Stock Burns Rapidly and Fire Gets Start Before Company Arrives.

The building and plant of the National Gate company in West Third street was destroyed by fire this afternoon shortly after one o'clock with a loss of between \$4,000 and \$5,000. The flames were fanned by a strong wind and from the very start it was evident that the fire department could do little to save the building.

According to Perry King and Newton Martin, the two employees at the factory at the time, the fire started when some paint ignited. The paint is believed to have been too close to a stove. The paint and oil burned rapidly and it was only a few minutes until the entire plant was in flames.

The building of the gate company was located north of the Lake Erie and Western depot and just south of the Charles E. Francis company factory. The building was of pine, covered with metal. The pine wood and the paint burned very rapidly and while the fire department made an effort to fight the flames, their work counted for little except to save the surrounding property.

The office desk and a few articles of value were all that escaped the flames. The gate company's trade only recently opened up and since the first of the year the company, under the management of Alfred Looney, had been prospering. A large amount of stock had recently been placed there. This stock consisted of a car load of lumber and a large amount of steel. Only a short time before the fire a shipment of forty gates was taken from the building. These gates were on a dray being delivered when the fire was discovered.

The National Gate company was organized here about three years ago. After operating for a time the plant failed to make money and Mr. Looney, the largest stockholder, took over the place and has been operating it. The estimated value of the plant was \$4,000, and with some improvements and the increased size of the stock, the loss will easily reach \$5,000, it was stated this afternoon.

Mr. Looney was out of the city this afternoon and the exact amount of insurance could not be determined. It is believed, however, that the insurance will not exceed \$2,000. This insurance is on both the stock and building.

The fire department was delayed a

### Congratulations To—

Jacob Feudner, president of the Republican Company, who is 62 years old today. Mr. Feudner is living in Denver at present on account of his health, but has not been there long enough to lose interest in Rushville. He is a native of Germany and came to Rushville 39 years ago as a job printer on the Republican. At that time Rushville was a town of 1,800 or 1,900 population. This is also the birthday of J. H. Brecheisen. He is 61 years old today. Mr. Brecheisen is a native of Loudonville, Ohio. He has been engaged in the pop and soft drink business here for a number of years.

## TO DISCUSS THE PRIMARY

Republicans Headquarters Will be Open Until After March 7.

County Chairman Fon Riggs announced today that Republican headquarters would be open, beginning next week and continuing until after the primary March 7, every day except Sunday from 9:30 in the morning until 9:30 at night. There will be someone at headquarters all the time to explain the primary law and at night local men will speak concerning phases of the statute.

## COUNTY MEETING SET FOR MONDAY

Ivy Lodge and Milroy Lodge Will Have Classes of Candidates at K. of P. Gathering Here

### GO TO CONNERSVILLE TONIGHT

The Knights of Pythias will hold a county meeting here next Monday evening at the K. of P. building and the chief address of the evening will be given by Robert A. Brown of Indianapolis, great keeper of records and seals. Ivy lodge of this city will have a class of nine or ten candidates and the Milroy lodge is expected to have a big class. The work will be given by the degree staff of Ivy lodge and the play, "Damon and Pythias" will also be presented by Ivy lodge members.

Between seventy-five and one hundred members of the lodge here will go to Connerville tonight at seven o'clock on an L. & C. special car for the production of "Damon and Pythias," which will be presented by local Knights at the Lyric theater in Connerville. Preceding the play, Robert A. Brown will speak and after the play a supper will be served by the Connerville Pythian Sisters at the K. of P. hall.

## WOLTER JURY 8 TO 4 FOR A CONVICTION

Disagrees After Casting Many Ballots Same Way and is Discharged at 8:30 p. m.

### MAY BE NO OTHER TRIAL

The jury in the Wolter case failed to reach an agreement and was discharged last night at 8:30 o'clock by Judge Sparks. It was stated today that there never was a chance for an agreement and that the jury stood eight for conviction and four for acquittal from the very first ballot.

The state was undecided today as to whether the case would be tried again. Prosecutor Stevens stated that he was disappointed in some of his witnesses, as they did not tell the same story on the witness stand that they did before the grand jury. There are too other cases of a similar nature against Wolter in the circuit court and if the one tried yesterday is not tried again these other two cases will likely be dismissed.

### PERKINS FINED.

Greeley Perkins was fined five dollars and costs this afternoon by Mayor Behont on a public intoxication charge. The offense was committed last Sunday. Perkins was given his freedom pending good behavior. This action was taken after Perkins told where he bought his whiskey.

## NET OF EVIDENCE UNWOUND TODAY

Result in Arrest of Mart Clevenger on Affidavit Filed in Circuit Court.

### ILLEGAL SALE IS CHARGED

Raid Monday Starts Chain of Evidence and More is Found at Court of Inquiry.

Mart Clevenger was arrested today on a warrant issued from the circuit court charging the illegal sale of intoxicating liquor. The case against Clevenger is the direct result of a statement made in police court last Monday afternoon by Greeley Perkins that he had purchased his "booze" at the Clevenger home in East Fifth street.

He was arraigned before Judge Sparks but did not enter a formal plea. Clevenger's bond was placed \$500 which he readily gave. The affidavit against Clevenger is one of the "blind tiger" charges that the state has been so successful with in past cases. The offense is alleged to have been committed on February 20 and various days previous to this time. The affidavit is for the unlawful possession and sale of intoxicating liquors.

The statement of Perkins alone was not considered sufficient at the time for an affidavit against Clevenger and a raid on the Clevenger home failed to back up the statement of Perkins. A court of inquiry was held Tuesday afternoon and it is believed that additional evidence was obtained, as the affidavit resulted.

The court of inquiry was conducted by Mayor Behont and all of the evidence was taken by a stenographer. At least ten or twelve witnesses testified and it is believed that a chain of evidence has been secured against Clevenger to warrant the belief that conviction can be obtained.

Perkins stated that he obtained the "booze" at the Clevenger home Sunday afternoon. By sitting the evidence, the men who gave Perkins the money to buy his whiskey were found and testified Tuesday at the court of inquiry. This is said to be only a part of the chain of evidence against Clevenger.

It was intimated today that when the real facts become known some startling revelations will be brought out. The police have suspected Clevenger for a long time and the raid Monday evening at his home was the seventh or eighth within the past two years.

## DEATH COMES TO BEN F. BALLINGER

Benjamin F. Ballinger, 53 years old, a well known resident of Milroy, died last night at six-thirty o'clock following an extended illness from heart disease. Mr. Ballinger was formerly a merchant of Milroy and retired about fifteen years ago, and since that time has been in the insurance business.

Besides his widow he is survived by two children, Frank of Indianapolis and Miss Lois at home. He is also survived by his mother, who lives near Fairmount, three sisters and three brothers. He was a member of the Masonic and K. of P. lodges.

The funeral services will be conducted Sunday morning at ten-thirty o'clock in the Milroy Methodist church by the Rev. Clyde S. Black and burial will take place in the Milroy cemetery.

## COURT HOUSE COST \$382,500

Figures at Auditor's Office Show That of the Total, \$152,500 Was Expended in Interest.

### IS NOT THE ACTUAL COST

Although \$382,500 Represents Total Bond Issue, There were Many "Extras" Allowed.

The last of two bonds issues for the construction of the Rush county court house and jail were paid yesterday. Figures in the county auditor's office show that with this final payment Rush county paid a total of \$382,500 for her court house.

Of this grand total \$152,500 was interest, and the balance represents the amount of the bonds. The first issue of bonds were sold in March 1896. This issue was for \$160,000. The interest on this issue alone amounted to \$100,000. Two years later, or just before the building was completed, it was necessary to issue another \$70,000 in bonds. The interest was \$52,500.

It is explained today at the auditor's office that the reason for the large amount of interest on the first issue of \$160,000 was that the bonds began falling due after the first year. On the second issue the first bond came due after five years. Both issues of bonds drew five per cent interest and were paid off at the rate of \$10,000 a year on each issue.

The first and original issue was sold to Season, Good and Mayor of Cincinnati. In 1909 or 1910 bonds were disposed of to the Northwestern Mutual Life Insurance company and this firm held the bonds when the final settlement was made. According to the records in the auditor's office, there was no premium paid for either of the big issues, which is in striking contrast to the bond sales as recently conducted by the county.

The commissioners at the time the first issue of \$160,000 was ordered issued were Allen Hinchman, Calvin Jones and William W. Innis. The total cost of the bonds and interest, \$382,500, does not represent the actual cost of the building or the jail. The commissioners record shows that the contractors were allowed numerous "extras" and it would be almost impossible to figure the exact cost.

## BUSINESS SLACK IN CIRCUIT COURT

After four days of jury trials, business slackened slightly in circuit court today. Judge Sparks heard the case of the Walter A. Wood Mowing and Reaping Machine company against John E. Patton and Curtis Thrall, on a note demanding \$1,200, but the jury was not called for today. The court heard the evidence in this case and took the case under advisement.

Judge Sparks returned a decision in the case of Leander Billman against the Blue River School township of Hancock county, finding for the plaintiff and ordering the title to the land quieted. This is the case involving the land on which is located an abandoned school house.

The case of Nina Lewis, administratrix of the estate of the late Dr. J. G. Lewis against Albert Russell on an account demanding \$75, was dismissed and the costs paid.

## TEAM OF HORSES RAN AWAY

Stopped When One of Them Falls as They Turn Corner

A team of horses hitched to a spring wagon belonging to John Dixon frightened and ran away this morning when they were left standing unhitched in front of Hyman Schatz's junk shop. The horses ran down Cerro Gordo street and as they turned into Second street, one of them fell and stopped the mad dash. Neither of the horses was hurt and the wagon was not damaged.

## INDICATION OF YIELDING SEEN

Unconfirmed Dispatches Say Germany Asks Offensive Armament be Defined.

### REPLY SAID TO BE ON WAY

(By United Press.)  
London, Feb. 25.—Germany in her reply to the latest representations from America asks the United States to define offensive armament, according to an unconfirmed Amsterdam dispatch received here today.

The reply, it was stated, is en route to Washington and should be delivered to the American state department within forty-eight and possibly twenty-four hours. Official circles accepted the report as an indication that Germany does not want to break with America and is preparing to yield.

## SLACKENS HIS PACE TODAY

Crown Prince Makes No Attempt on West Front During Night.

(By United Press.)  
Paris, Feb. 25.—The crown prince's offensive in the Verdun region is showing signs of slackening, the war office announced this afternoon. No attempts were made during the night, it was stated and the artillery fighting has become less violent.

### FLETCHER APPOINTED.

Washington, Feb. 25.—The senate this afternoon confirmed the nomination of Henry P. Fletcher as ambassador to Mexico. The action was taken by a vote of 49 to 16.

## Rushville Has One Street Name Not Duplicated In United States

Rushville has a street which no other city in the United States has. This distinction—if it may be called such—is brought to Rushville by McClellan street, which is a block long and extends from the C. I. & W. depot to Third street.

But even there are those who would like to "cheat" Rushville out of this so-called distinction. Time and custom has caused the short block to be known at McClellan street. It is so designated by street markers.

Local history has it that the street derived its name from that of an official of what is now the C. I. & W. railroad. Clerks at the post-office say that McClellan is the real name of the street.

Far be it from Rushville to wish the street name to stand as McClellan for then Rushville would not be in a class by itself, but would be

## CONGRESS WILL HOLD UP PLANS

Leaders Promise President They Will Not Embarrass Him if War Does Not Seem Certain.

### CABINET BEHIND WILSON

House Will Pass Warning Resolution if it Becomes Necessary to Avoid a Conflict.

### OUTBREAK IS PREVENTED

Senator Lodge, Ranking Republican Member, Announces he Will Stand With the President.

(By United Press.)  
Washington, Feb. 25.—Excitement raged through every department of the government today conflict forces fought over the program to be adopted by the United States in her dispute with Germany.

The president after an hour's conference with house leaders obtained a promise only that they would refrain from interfering up to the point where they thought it necessary to do so to avoid war.

The president's cabinet, after a two-hour session, declared itself behind the president's determination not to concede to the demands that Americans be warned to keep off armed merchantmen.

Opposition in the senate to the president took a new form—a resolution by Jones of Washington asking the president not to break off diplomatic relations with any country and not to place the country in a position where it could not with honor avoid war. The senate was kept from an outbreak over the issue by being thrown into an executive session to consider the president's nomination of Henry Fletcher as ambassador to Mexico.

Former Secretary Bryan plunged into the fight with a telegram to friends in the house supporting the agitation for a warning resolution and announcing his intention to come to Washington.

The limitation the house leaders had put on their support promised the president was not understood until this afternoon when one of them explained:

"We told him that the sentiment of the house was overwhelmingly in favor of passing a warning resolution."

# Forty Head of Mules At PUBLIC AUCTION

The undersigned, having decided to sell their entire lot of mules, will offer for sale at Public Auction at the residence of Oscar Henry on the D. T. Roots farm, just north of East Connersville, on

Tuesday, February 29th, 1916

A span of coming five-year-old mules, well broke, excellent workers; remainder of the lot, an extra bunch of farm mules, large in size and bone, all coming three years old this spring and most of them have been broke and used in coal delivery business. The entire lot native bred, having been raised by the owners. About thirty of them are mare mules and mate well in pairs. These mules will range larger in size than any similar herd ever offered for sale in Fayette county. All are in fine condition and ready for work. Several choice pairs in the lot that will make fancy price teams.

THIS SALE OFFERS A RARE OPPORTUNITY TO PURCHASE A  
FINE PAIR OF MULES

Mules will Positively be Sold Without Reserve.  
SALE WILL COMMENCE AT 1:00 O'CLOCK SHARP  
LIBERAL TERMS WILL BE OFFERED ON DAY OF SALE

J. O. and R. W. HENRY  
MINDR CONNER, Auctioneer.

### UP-TO-NOW IN DESIGN

Designs as shown by some firms are more or less freakish or fadish to attract the attention of the prospective customers with scarcely a thought of their wearing appearance or correctness in proportion. But then they are merely on paper and represent but a small loss if they don't take.

We have faith in our ability as practical designers and as proof we show at our works a most complete selection of ready to erect monuments designed by our nationally recognized designer, Mr. A. H. Schrichte.

## HOG PRICES ARE FIVE CENTS HIGHER

Advance is Noted Though Receipts Remain the Same—Grain Market Remains Easy.

## CORN AND OATS LOWER

(By United Press.)  
Indianapolis, Ind., Feb. 25.—The price of hogs was up five cents today, with receipts the same as yesterday have been for two days. The grain market was still easy. Wheat prices were the same. Corn was off one-half cent and oats one and one-half cents.

WHEAT—Easy.

## MANY TROUBLES DUE TO WEAK KIDNEYS

"It is no use advertising a medicine unless the medicine itself is good enough to back up the claim you make for it," said Johnson's Drug Store, the popular druggists, to a Daily Republican man. "On the other hand it is a pleasure to sell a medicine when our customers come in afterward and tell you how much good it has done them. And that is why we like to sell and recommend Solvax, the great kidney remedy. We have so much faith in this article that we are going to guarantee it in the future and will return the money to any purchaser of Solvax whom it does not help."

This shows great faith in Solvax. It really is a most unusual medicine because it overcomes the worst cases of kidney complaint by removing the cause. It goes straight to the seat of the trouble. It soaks right in and cleans out the kidneys and makes them pass off all the uric acid and poisonous waste matter that lodges in the joints and muscles, causing rheumatic pains, soothes and heals the bladder and quickly end all such troubles.

(Advertisement)

## SAYS DRINK LEMON- ADE FOR RHEU- MATISM

Relief from rheumatism and sciatica can be obtained by drinking lemonade and avoiding alcoholic drinks.

To get rid of this stubborn disease, however, to stop the twinges, pain and swelling, and drive the poisonous accumulations from the joints and muscles, all generously-inclined druggists will tell you to take half a teaspoonful of Rheuma daily until all misery ceases.

Rheuma is a powerful remedy, because only a powerful remedy can overcome such a terrible disease; but Rheuma acts speedily—the first dose taken and you'll know that you will soon be your healthy, happy self again.

Johnson's Drug Store and all druggists know what Rheuma will do, for they sell a great deal of it and guarantee that two 50-cent bottles will overcome rheumatic agony or money back.

## COMSTOCK SPEAKS TONIGHT

Republican Candidate Will Talk in Court House at 7:30 O'clock.

Friends here of Judge Daniel W. Comstock of Richmond, Republican candidate for the congressional nomination in this district, are anticipating a large crowd when he speaks in the court house assembly room tonight at seven-thirty o'clock. Judge Comstock has only spent one day in this county since he became candidate for the nomination and it will be his first set speech here. A general invitation is extended by Comstock boosters to the public to attend.

O. P. Wamsley is suffering with a case of tonsilitis.

Col. E. H. Wolfe is able to be out again after an illness of several days.

## BOWERS ECONOMY HATCHER

We have arranged for the exclusive sale in this community for this famous Hatcher.

We consider it one of the best, most practical we could offer to our patrons, and extend to you a most cordial invitation to stop in and see it at your first opportunity. Many new features, all interesting, practical and proven, are introduced on this Hatcher. Bowers Economy Hatchers are all metal, light weight, cost little, and require little time and expense to operate profitably. We are glad to show you and tell you all about them.

## The Metropolitan Concert Company of New York

### The Supreme Musical Event of the Season

Arrangements have been perfected by which the New York Metropolitan Company will be brought to Rushville. If a sufficient response can be secured from the public in general the company will come here March 10th under the auspices of the K. K. K. they having arranged for the concert.

This will be one of the biggest musical events ever given in Rushville. A representative of the Bureau which presents this company of artists is here, and together with the local organization will endeavor to make a success by making this a subscription concert. Of this company, Vladimir Neveloff, the New York manager, says:

"In presenting Skovgaard, the Danish Violinist, and the New York Metropolitan Company, to the concert going public of this country, I feel confident that I am offering a most attractive and remarkable attraction of great variety. It is a combination of Grand Opera Singers and concert performers, each one being a star and well known to the public. They will not only sing the arias and operatic duets with which they have won their fame, but when you have heard Molly Byerly-Wilson sing 'Oh Dry Those Tears,' you will know there is more than one Schumann-Heink in existence. Florence Hawkins' bird-like voice will enchant you; Clara Frouler's marvelously true and human interpretation of the beautiful Swiss folk song will captivate you; and Francis W. Cowles? Yes, he will sing 'Danny Deever.' Skovgaard will, with his \$50,000.00 hand, on his \$13,000.00 violin, carry you back to the days of Ole Bull; and the pianist, Alice McClung, will charm you, not only through her splendid accompaniments, but when she plays Liszt, you cannot fail to recognize that you are listening to one of the most brilliant pianists of today."

"The entertainment given by this remarkable company of instrumental artists and Grand Opera Singers is after the style of the popular Sunday concerts held in the Metropolitan Opera House, New York City. Greatest variety in music—Arias from your favorite operas in the beautiful original costumes—Folk songs in national costume—The famous sextette from 'Lucia' and the 'Barcarolle' from 'The Tales of Hoffman.' Classical music—Chamber music—Popular music—In fact an entertainment for everybody."

You will be solicited for tickets. Help make this extraordinary musical event the success it should be, by subscribing for seats.

Try A WANT AD

We Starch Your Garments

by the use of the most modern machinery. Our collar starch carries your collars and cuffs between endless felt aprons, through a series of wooden rollers running in a bath of hot, liquid starch.

In preparing this starch, we use a very high grade of starch manufactured especially for the laundry trade and not sold at retail. It is prepared and cooked in an especially constructed kettle, according to an exact scientific formulae. This insures the absolute uniformity of the stiffness and pliability of your linen every week in the year.

It is by such points as this, which we treat here in an exact scientific manner, that the modern laundry insures the superiority of its work over that done at home, by the washerwoman or in the small "hand" plants.

GIVES REASONS FOR RETURNING

Clifford Clark Wants Second Bottle Because it Helped Him Greatly.

Fort Wayne, Ind., February 25,— Clifford Clark, a well known Fort Wayne man who lives on Rural Route No. 7, is one of the thousands of Indiana people who have indorsed Tanlac, the Master Medicine. Mr. Clark said recently:

"I was annoyed with catarrh of the head and stomach trouble for along time. I had severe pains in my neck, my throat was sore. I coughed continually and my head felt stuffy. Bloating, from which I also suffered was caused from intestinal trouble, I was told.

"I began improving after the first few does of Tanlac. Now I have finished my first bottle and feel like a different man. My head has cleared and I do not suffer now from dull headaches caused by catarrh. The cough, also, has been bettered and the bloating sensation has disappeared.

"I have received more benefit from one bottle of Tanlac than I have from any other medicine I have taken in ten years. That is why I am back for a second bottle."

The testimony of Mr. Clark, added, as it is, to that of thousands of other people, should prove the merits of Tanlac. Tanlac is especially beneficial for stomach, liver and kidney troubles, rheumatism, nervousness, insomnia and is a blood purifier.

Tanlac is sold exclusively in Rushville at F. E. WOLCOTT'S drug store.

## When Croup Comes Treat Externally

The old method of dosing delicate little stomachs with nauseous drugs is wrong and harmful. Try the external treatment of Vicks' "Vapo-Rub" Salve. Just rub a little over the throat and chest. The vapors, released by the body heat, loosen the choking phlegm and ease the difficult breathing. A bedtime application insures sound sleep. 25c, 50c, or \$1.00.

## VICKS' VAPOR-RUB SALVE

## MEAT CAUSE OF KIDNEY TROUBLE

Take a glass of Salts if your back hurts or bladder bothers—Meat forms uric acid.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach aches, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys also to neutralize the acids in urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

## The Right to Shed Collars

Hereafter schoolboys in New Jersey, at least, may go to school without collars. Juvenile rights have been vindicated.

Last June two boys of Merchantsville, N. J., shed their collars one broiling day, and opened their shirts at the front, presenting a modest debutante effect. Their teacher promptly sent them home. Their mother promptly sent them back to school. The teacher turned them out again, and a little later the state commissioner of schools upheld her. It was immodest, he said, for boys to go without collars. The fact that girls did so had nothing to do with the matter.

Now the state board of education has passed finally on the case, and upheld the boys. Its decision is as follows:

"Had the boys appeared in school without shirts, it would perhaps have met the exigencies of the hot weather but would have been subversive of discipline; but to say that they should not come to school collarless is an unreasonable and unwarranted exercise of power by the teacher."

That righteous decision ought to hold good anywhere, and every boy in America who rebels against the bondage of a linen collar on hot days ought to know about it.

## ASSESSORS TO BEGIN NEXT WEEK

The time is short until the season opens when the assessor may be expected to knock at the door any time. On March 1 their annual task of listing the personal property for taxation begins. Next Wednesday is the day.

The township assessor will meet with the county assessor, Henry W. Schrader, at his office in the courthouse Saturday morning at ten o'clock and receive their supplies and instructions. They will agree on a basis for assessing personal property and additional improvements made on real estate in the last year.

## NATIONAL GATE BUILDING BURNS

Continued from Page 1.

few minutes in reaching the fire because the number of the box from which the alarm was sounded did not register at the fire station. The box, No. 37, corner of Third and Washington streets, was found to be out of order. This box has been out of order from the rest of the circuit and will be sent away for repairs. The fire department had to count the number before starting to the fire and the run was also a very long one.

## MOSTER NOW AT THE FARM.

Hubert (Mooney) Mosier was taken to the penal farm yesterday afternoon by Sheriff Cavitt where he began serving a sentence of sixty days for public intoxication. In addition to the penal farm sentence Mosier was fined 15 and costs, giving him a total of 60 days down on the farm.

We are authorized to announce the name of Charles C. Brown as a candidate for Sheriff on the Democratic ticket, subject to the decision of the primary election, March 7, 1916.

I will be a candidate for the Democratic nomination for Congress before the Primary, March 7th, and as the duties of my office and attention to important measures before Congress will prevent my returning to my district, I take this means to ask the voters for their support.

FINLY H. GRAY.

## BRIGHTER CHILDREN.

Children are probably brighter to-day than a generation ago—but are they stronger? That's a grave question. So many pinched faces, dulled eyes and languid feelings make us wonder if they will ever grow into robust, healthy men and women.

If your children catch colds easily, are tired when rising, lack healthy color, or find studies difficult, give them Scott's Emulsion for one month to enrich their blood and restore the body-forces to healthy action.

Scott's Emulsion is used in private schools. It is not a "patent medicine," simply a highly concentrated oil-food, without alcohol or harmful drugs. It cannot harm; it improves blood; it benefits lungs and strengthens the system. Your druggist has it—refuse substitutes. Scott & Bowne, Bloomfield, N. J. 15-21

## Local News

Mrs. Henry Miller, who has been ill for three weeks, is improving nicely.

Edgar Bates has accepted a position as freight clerk for the C. I. & W. railroad.

Word has been received from Clyde Osborne, who is at the United States Naval Training station at Great Lakes, Ill., that he has almost recovered from scarlet fever and tonsillitis.

A minstrel show will be given at the Sexton Modern Woodman hall by the Old Time Jubilee Singers next Wednesday evening, March 1. Admission of ten and twenty cents will be charged and a general invitation is extended to attend.

James J. Mathers, administrator of the estate of the late James G. Mathers, has filed a petition against Ethel Green, et al., asking for an order of the court to sell real estate filed a petition against Ethel to pay debts.

The second quarterly conference of the St. Paul's M. E. church will meet this evening at 7:30. C. E. Bacon, presiding elder of the district, will be present and preside at the meeting. All members of the conference are urged to attend.

Charles Lyons, of Knightstown, former county commissioner, remains in a serious condition as a result of a stroke of apoplexy suffered yesterday. Mr. Lyons was still unconscious this morning and while his heart action is good, there is grave doubts as to his recovery.

The Shelbyville high school basketball team spent a short while here this morning enroute to Connersville where they play tonight. The same team takes part in the tournament here tomorrow and is composed of A. Hall, R. Hall, Robert McClay, George Harding, William Weidner, Jack Higgins, Russel Cochran and Coach John Pruitt.

The funeral of Mary Esther Keaton, two-year-old daughter of Mr. and Mrs. Ed Keaton, who died yesterday afternoon, will be held Saturday afternoon at two o'clock from the home of its grandmother, Mrs. Mary Bohannon, 523 North Morgan street. Examination has proved that the baby did not suffer with diphtheria as was reported.

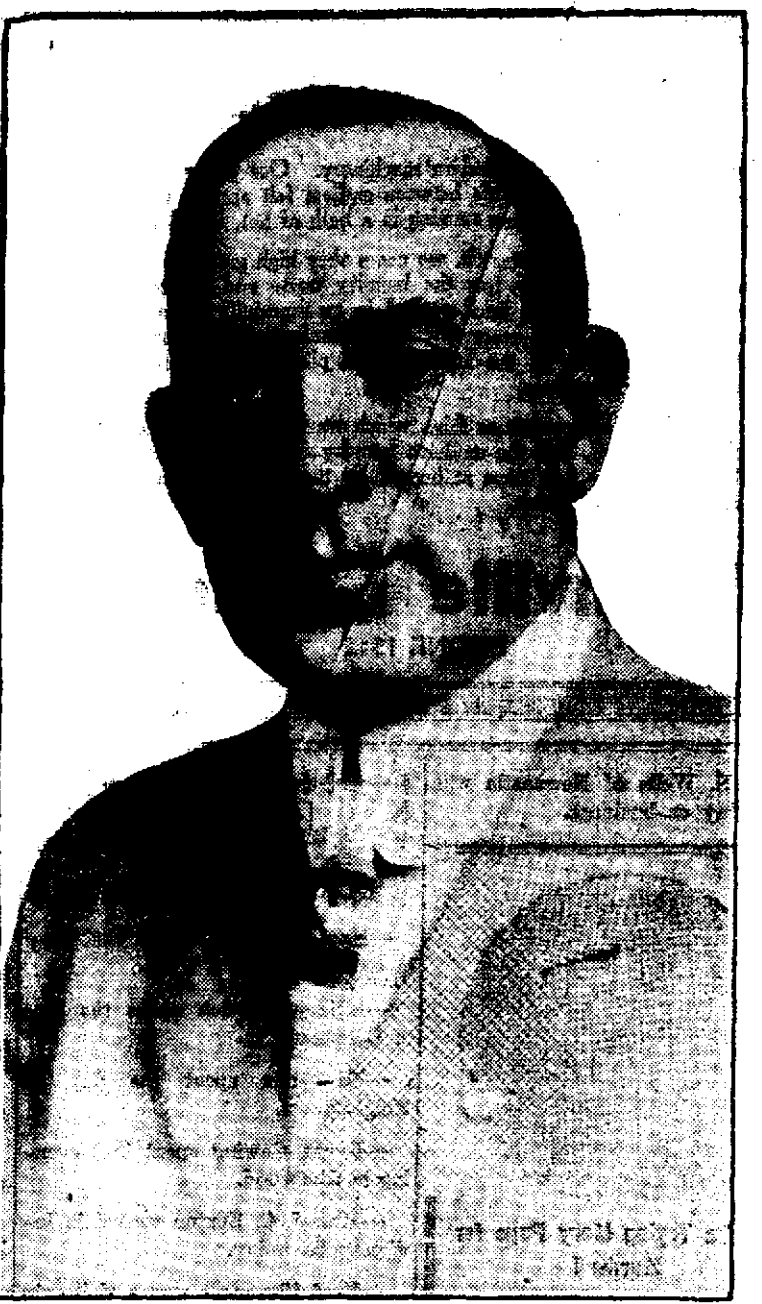

The Brewer Musical entertainers will appear in Glenwood on Tuesday evening February 29th. The company consists of Mrs. Eleanor Brewer, accompanist and manager, and her two daughters: Grace Montana, violin, trombone, piano and vocal soloist, and Ruth M. Brewer, reader and clarinet soloist. The public is invited to attend.

## FEEL YOUNG!

It's Dr. Edwards' Olive Tablets For You!

Beware of the habit of constipation. It develops from just a few constipated days, unless you take yourself in hand. Coax the laxed bowel muscles back to normal action with Dr. Edwards' Olive Tablets, the substitute for salomel. Don't force them to unnatural action with severe medicines or by merely flushing out the intestines with nasty, sickening cathartics. Dr. Edwards believes in gentleness, persistence and Nature's assistance. Dr. Edwards' Olive Tablets open the bowels; their action is gentle, yet positive. There is never any pain or griping when Dr. Edwards' Olive Tablets are used. Just the kind of treatment old persons should have. Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil, you will know them by their olive color. Take one or two occasionally and have no trouble with your liver, bowels or stomach. 10c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O.

## P. J. Lynch Stands Well at Home

A man's friends and neighbors know him best and their opinion may always be relied upon. The candidate who stands well at home is bound to make a good public servant. On the contrary a candidate that does not possess the confidence of his neighbors is impossible as a candidate for public place.

Patrick J. Lynch of Newcastle, whom the Republicans of the great Sixth District of Indiana will name as their candidate for congress at the primary election on March 7th is known in his home County of Henry as a man of the highest probity, and honor, without a blemish upon his character, foremost in every civic improvement, the head of a great business enterprise and as a clean, able man of more than ordinary talents he possesses the confidence of his neighbors in all walks of life.

Mr. Lynch's friends and neighbors in Henry County—the men with whom he mingles and does business recently assembled in a great mass convention in the city of Newcastle and there heartily endorsed the candidacy of Mr. Lynch and commended him in the strongest possible language to the Republicans of the Sixth District.

This is the answer of his neighbors and friends as to Mr. Lynch's popularity in his own home county:

**We, the Republicans of Henry County, in mass convention recognize in Patrick J. Lynch an able and enthusiastic advocate of the Republican Party, an honorable citizen of Henry County and a fit and proper person to represent the Sixth Congressional District in the Congress of the United States, and therefore we recommend his candidacy for that office.**

In addition to this the Republican County Committee of Henry County, the governing body of that party in that county, passed resolutions heartily endorsing the candidacy of Mr. Lynch as a candidate for the Republican nomination for Congress.

**Mr. Lynch when a candidate for Congress in 1914 in the District received more votes than the head of the ticket, Hugh T. Miller.**

As a campaigner it is generally conceded that Mr. Lynch has not a peer in the State of Indiana. In this present campaign for nomination he will have made when finished over one hundred speeches, visiting every nook and corner of the district.

Predictions are freely made by close observers that he will carry every county in the district by an overwhelming majority, including Wayne county.

The Republican party in this district in the forthcoming campaign needs a vigorous, able campaigner and as a business man standing for the protective tariff, merchant marine and reasonable national defense, Mr. Lynch with his experience, wide acquaintance in the district and his ability as a public speaker can bring victory to the party. With a divided party in 1914 he was almost successful—with a united party in 1916 when nominated he will carry the district by five thousand majority.

(Advertisement.)

## To the Voters of Rush County

I wish to appeal to the Republican voters of Rush County for their support in the coming Primary Election, as I am a candidate for the nomination of Sheriff.

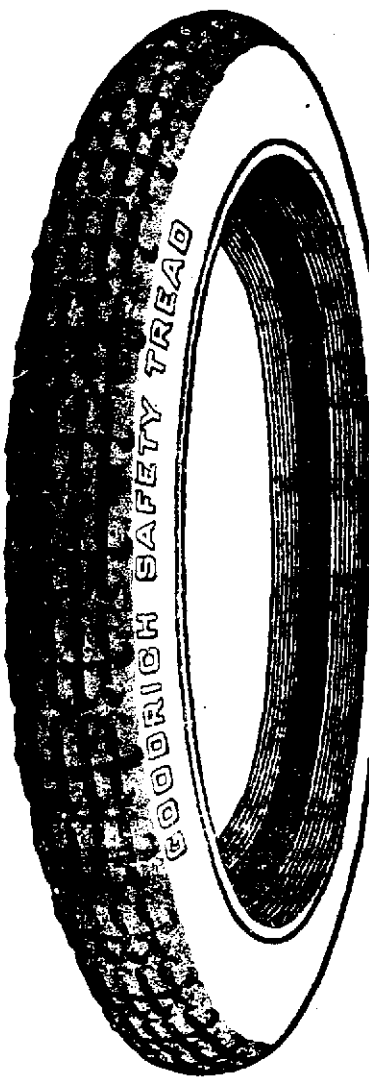

I have been a HARD WORKING REPUBLICAN during all of my life, and not only myself, but all of my people, have always been LOYAL supporters of the G. O. P. I have never held office, neither has any of my people and I assure you that your support will be appreciated and that when nominated and elected I sincerely promise that I will conduct the office with care and credit, and that you will have no regrets to offer during my term as an officer of the law.

Yours truly,

**Henry Clevenger**

## Why pay Tire Bill for Others— —i. e., for RECKLESS Drivers

**A**MERICANS who want their money's worth,—who dislike to pay for the reckless-driving extravagance of Others,—in the price of their own Tires, should sit up and take notice of following FACTS:—  
The current Goodrich "Fair-List" price on Tires, is based upon what it costs the largest, and best equipped, Rubber Factory in America to produce them.  
No "Insurance" Premium added to the NORMAL retail price of Goodrich Tires, in order to protect the Reckless Driver at the expense of the Careful Driver, through a fancy List Price which is high enough to absorb that Premium.  
The excess Mileage each Goodrich Tire is reasonably certain to deliver, when given reasonable care in driving, thus becomes clear "Velvet" to the Owner of GOODRICH Tires.  
Money can't make, and can't buy, better Tires of Fabric construction, than Goodrich Safety-Tread Tires, as Test will prove.  
And, money can't buy the B. F. Goodrich Co. to produce Tires which would discredit the 269 other lines of Rubber Goods made by the B. F. Goodrich Co., for which its name stands Sponsor.

**C**OMPARE prices on Goodrich "Fair-List" Tires with present prices on any other responsible Tires in the field, bearing in mind that NO "LARGER-SIZED" Tires (type for type and size for size) than Goodrich Black-Treads, are made in America.  
Then, Test out at least ONE pair of Goodrich black-tread Tires, on their per-DELIVERED-Mile cost to you, against any other Tires in the field, at any price, and,—abide by the Result.  
Why (if YOU are not a Reckless Driver) should YOU pay MORE than the "BUSINESS" price of the Goodrich Tire, for ANY Fabric Tire in the field?  
Get a sliver of the new Goodrich "Barefoot" Rubber from your nearest Goodrich Dealer or Branch.

THE B. F. GOODRICH CO.  
Akron, Ohio.

## ALL READY FOR THE TOURNAMENT

Basketball Fans Are Expecting Hot  
Series of Games at Local Gymnasium Saturday.

MUCH INTEREST AROUSED

Six Quintets Will Compete and Dope  
is That Rushville Has Good  
Chance to Win.

Everything is in readiness for the basketball tournament to be held here tomorrow. It has been several years since a high school event created as much interest in local school circles.

The drawings of places in the tournament will take place tomorrow morning shortly before the first game is started. The opening game is scheduled to begin at ten o'clock. There will be two games Saturday morning, two in the afternoon and the final game for the championship will be played at night.

According to word received from the cities participating in the tournament, each school will send large delegations of rooters and the capacity of the gym will likely be taxed. The teams to take part are Shelbyville, Connersville, Greensburg, Rushville, Milroy and Carthage. The sale of tickets has been large in all of the cities.

Local dopsters have been busy this week figuring out the chances of the Rushville team. The Rushville fans are confident that their team will win and this has been strengthened since the announcement that Stoops, star forward, would participate in the games. The local followers of the game have figured that since Rushville has defeated every team to take part in the tournament, with the exception of Carthage and Milroy, on the local floor, there is no reason why the team should not repeat.

The team that wins the tournament will have to win three games. The only question is whether the Rushville team can stand up under this strain. Rushville has defeated Greensburg, Shelbyville and Connersville on the home floor and while the Rushville team has not played Milroy or Carthage, the fans believe these two teams will not give the locals any great trouble.

Connersville and Shelbyville play tonight at Connersville and this should prove a help to Rushville if the game there should be a hard one. The dope figurers here believe that the finish will be between Shelbyville and Rushville. The Rushville team has not lost a game on the home floor and the team is going to try and keep up this record.

Cochran has been working the team hard this week and every member is in good condition for the games. The locals will enter the first game with the regular lineup which is as follows: Caron and Stoops, forwards; Martin, center; Reed, Dye and Frazier, guards.

Charles Caron was taken to the Sexton sanatorium today to undergo an operation for appendicitis tomorrow.

## Tooth Loose? Watch out for Pyorrhea!

When you find a tooth that gives back and forth, even just a little, see your dentist at once.  
He will find conditions which you might overlook. He will find a gum recession, even though slight, where the gums have pulled away from the teeth. And he will tell you that you have the dread disease pyorrhea.

From pyorrhea come by far the greater part of all tooth troubles. Unless treated and checked, it will result not only in the shrinking and malformation of your gums and of the bony structure into which your teeth are set, but in the loss of the teeth themselves.  
A specific for pyorrhea has been discovered recently by dental science, and is now offered for daily treatment in Senreco Tooth Paste. Senreco combats the germ of the disease. Its regular use insures your teeth against the attack or further progress of pyorrhea.  
But Senreco does more. It cleanses the teeth delightfully. It gives them a whiteness distinctive of Senreco alone. Its flavor is entirely pleasing, and it leaves in the mouth a wonderful sense of coolness and wholesomeness.  
Start the Senreco treatment before pyorrhea grips you for good. Details in folder with every tube. A two-ounce tube for 25c is sufficient for 6 weeks' daily treatment. Get Senreco of your druggist today; or send 4c in stamps or coin for sample tube and folder. Address The Senreco Remedies Company 503 Union Central Building, Cincinnati, Ohio.

## NEW SALEM WINS GAME

Independents Defeat Orange at New Salem, 20 to 17.

The New Salem independent basketball team defeated the Orange independents at New Salem Wednesday night, 20 to 17. It was a rough and hard fought game, in which the interest never lagged. New Salem wants games with independent teams. Phone or address James Moore of New Salem. The line-up and summary of Wednesday night's game was as follows:

New Salem (20)	Orange (17)
Carr	F C. Beaver
Tilley	F Hitchell
C. Beaver	C R. Beaver
Moore	G Meeker
H. Beaver	G Houchins
Field goals: New Salem—C. Beaver, 7; Tilley, 1; Orange—C. Beaver, 5; Meeker, 2; foul goals: New Salem—C. Beaver, 4; Orange—C. Beaver, 1.

## Society and Club News

Edited by Miss Frances Frazee.

### FOR MISS HAYDON.

Complimentary to Miss Clara Haydon, of Lexington, Ky., who is visiting here, Dr. and Mrs. Carl Beller are entertaining the following guests at dinner this evening, Mr. and Mrs. Ben Humes, Mr. and Mrs. Gunn Haydon, and Rich Wilson.

### FAMILY DINNER.

An unusually pleasant family gathering is the one this evening at the home of Mrs. Mary Dixon, when she is entertaining Mr. and Mrs. Hugh Mauzy and daughter, Judith, Mr. and Mrs. C. A. Mauzy, Louis Mauzy, and Mrs. George Dehority, of Elwood.

The lovely and modern new home of Mr. and Mrs. Claude Crane has been the scene for a series of housewarming parties in the form of Rook parties. One of the most pleasant of these was given this afternoon, when four tables of players assembled and participated in the fascinating rounds of the popular game. A delicious repast was served to the guests during the delightful afternoon.

### R. N. A. DANCE.

Invitations are out for the dance to be given on Thursday evening, March 2d, by the girls of the Royal Neighbors of America. It will be given in the Phi Delta Theta hall. The committee in charge of the affair are Mr. and Mrs. Ben Manliel, the Misses Ethel Oakley, Adeline West, Grace Roth and Elizabeth Jones.

### LEAP YEAR DANCE.

All hopes for a good time at the Leap Year dance given by the Knights of Pythias were exceeded last evening when over forty merry couples gathered and joined in the jollity of the affair. Informality prevailed and was emphasized in several pleasurable circles. Good music by Mitchell's three-piece orchestra added life and enjoyment of the evening's festivities. Among the dancers were Mr. and Mrs. Arthur P. Reynolds of Glenwood.

The Ladies Aid society of the Sexton C. W. B. M. celebrated Washington's birthday with a pitch-in supper at the home of Mr. and Mrs. Fred Oldham, which was followed by an appropriate program. The husbands of the members of the society were guests and showed their appreciation by the generous offering which they gave to the society. After the elaborate supper was served, Mrs. Orville Porter presided over the meeting and the guests enjoyed the entertaining program.

### KNIGHTS OF MACABEES

After the regular business meeting of the Knights of Macabees held

last evening in the hall of the Sons of America, an elegant supper was served to the twenty or more members present. During this social part of the meeting the men enjoyed an unusually jovial time together. The sumptuous supper served by Mrs. Webb and Mrs. Gregg was the crowning feature of the evening, as the men gathered about the tables and enjoyed the repast.

### THETA REUNION

All Indiana Thetas are anticipating with great pleasure the luncheon and dance tomorrow when the main feature of the good time enjoyed will be the meeting of class-mates and college friends from near and far. Among the Thetas and their invited guests who will attend either one or both of these brilliant functions, which will be given in the Claypool Hotel, are Mrs. A. L. Gary, the Misses Pearl and Carrie Kitchen, Genevieve Brown, Edith and Emma Wilk, Janette Clark of Muncie, Louise Craig and Mrs. George Dehority, of Elwood, and Posey Denning, Lawrence Clark, Perry O'Neal, Louis Mauzy and Scott Buell.

### ALL DAY MEETING.

The Ladies Aid Society of the Hannegan church met at the home of Mr. and Mrs. John D. Fleener on Wednesday with an all day meeting. During the pleasant hours, the ladies quilted together and accomplished quite a bit as a result. A sumptuous dinner was served at noon to the guests, who included Mrs. William Newhouse and son, Leon, Mrs. Carr Leisure, Mrs. Powell, Mrs. Luther Ricker and daughter, Evelyn, Mrs. Alvah Newhouse, Mrs. John Ellison, Mr. and Mrs. George Adams, Mr. and Mrs. Henry Addison, and Mr. and Mrs. Alvah Junken.

### BRILLIANT RECEPTION.

Honoring Mr. and Mrs. Lowell Vickery, who were married Tuesday night, the parents of the bridegroom, Mr. and Mrs. Vickery gave a reception last night at their lovely home in Falmouth. The young couple was radiant as they received the guests, who included about fifty of their friends. Bridal decorations were suggested in the profusion of floral appointments. Smilax was gracefully twined over the chandeliers and mantles, while huge bunches of vari-colored carnations welcomed the guests into each room. Roses, too, were used in creating this floral bower. In this sitting, the guests enjoyed a short talk by the Rev. G. F. Powers, several fascinating recitations by Miss Mary Hinchman, and music throughout the evening. In the dining room, daintily appointed refreshments were served.

### MUSICALE

Miss Helen Black will be hostess for the Ladies Musicale Monday afternoon at her home in North Jackson street. The program, which will be in charge of Miss Marie Clawson, will be on American composers. A paper by Mrs. Lon Kennedy will be one feature of the afternoon.

### LAUGH-OUT CLUB

With as jolly a time as the name suggests, the members of the Laugh-Out Club were entertained at dinner yesterday by Mrs. Hollingsbee at her home north of the city. The amiable company of ten guests gathered in the morning to enjoy several hours together, while at high noon a bountiful dinner was prettily served. Just as merry were the afternoon hours, for the guests who enjoyed a chat over their sewing.

### PIE SOCIAL.

C. J. Osborne of Vincennes, who is State Consul, of the Modern Woodmen added a great deal of pleasure to the gathering held in the Woodmen hall last evening. During the first part of the affair, Mr. Osborne gave an interesting and instructive talk on the work and standing of the order. Several emphatic statistics were given, showing that the lodge has been organized for 33 years, and that at the end of last year, a balance of over 13 million dollars, belonging to the order was out on loan.

Dancing and several social diversions, made the hours pleasant ones. Pies were auctioned off, one of them bringing seventy cents. These furnished refreshments for the affair. In the pie eating contest, which was the cause of a generous amount of merriment, Clifford McGinnis proved to be the winner.

## CONGRESS WILL HOLD UP PLANS

Continued from Page 1.

tion. We told him the house would pass such a resolution if necessary to avoid war with Germany. But we told him we would not embarrass him at present and would postpone any action until a war crisis is reached."

Senator Lodge, ranking Republican member of the foreign relations committee supporting President Wilson's position.

"I believe it would proclaim us to the world as cowards to tell our citizens that they must not exercise their rights and that if they do so we shall protect them," he said. "Of course I shall stand by the president."

Senator Gore's long-heralded resolution was introduced.

Arguments by Senator Clark, Democratic House Leader Kitchen and Chairman Flood of the house foreign affairs committee today

### DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

### RUB BACKACHE AND LUMBAGO RIGHT OUT

Bad Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

failed to move President Wilson from his policy towards Germany.

After a conference of nearly an hour the president and house leaders were still in disagreement over the question of warning Americans to stay off armed merchantmen.

The result of the conference was that no action will be taken by congress today at least.

The president emphatically told the house leaders he would not budge from his plans of insisting that Germany recognize every American right.

Speaker Clark has positively told the president that sentiment in the house is overwhelmingly in favor of a warning resolution.

It is not believed the house will reach a decision before next week. The Democratic leaders promised that they would do their utmost to prevent summary action on the part of the house.

The three Democratic leaders, all of whom favor a warning resolution, were closeted with the president from nine o'clock until 9:50. Speaker Clark was spokesman.

"I told the president what the sentiment of the house is," said Speaker Clark emphatically as he left the white house. "The letter of the president to Senator Stone and Senator Stone's letter to the president," continued Clark, "are the last words on the two sides of the question."

### SCALES ASKED TO RESIGN.

(By United Press.)

Indianapolis, Ind., Feb. 25.—Governor Ralston today confirmed a report from Evansville that he had asked T. D. Scales, state tax commissioner,

Unexcelled daylight afforded in the selection of your floorcoverings is an assistance that you cannot overlook.

## Special Showing of Carpets

THURSDAY, FRIDAY AND SATURDAY

Several of the leading mills of the country have expressed to us their lines of samples, and they will be on display for your inspection during these three days. ### NOSE CLOGGED FROM A COLD OR CATARRH

Apply Cream in Nostrils To Open Up Air Passages.

Ah! What relief! Your clogged nostrils open right up, the air passages of your head are clear and you can breathe freely. No more hacking, snuffing, mucous discharge, headache, dryness—no struggling for breath at night, your cold or catarrh is gone.

Don't stay stuffed up! Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, giving you instant relief. Ely's Cream Balm is just what every cold and catarrh sufferer has been seeking. It's just splendid.

Best by Test, Fair Promise to Sufferers

PUT STOMACH IN FINE CONDITION

Says Indigestion Results from an Excess of Hydrochloric Acid.

Undigested food delayed in the stomach decays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells us that indigestion is caused by Hyper-acidity, meaning, there is an excess of hydrochloric acid in the stomach which prevents complete digestion and starts food fermentation. Thus everything eaten sours in the stomach much like garbage sours in a can, forming acid fluids and gases which inflate the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we belch up gas, we eructate sour food or have heartburn, flatulence, water-brash or nausea. He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Eps Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effecting and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices. Eps Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salts is used by thousands of people for stomach trouble with excellent results.

GETS ATTENTION IN THE SCHOOLS

Vocational Education is Being Emphasized by Authorities Many Places.

Z. M. SMITH'S WORK RECALLED

Outline of Activities Throughout State Shows How Much Interest it Really Holds.

Vocational agriculture is attracting much attention in Indiana schools. Prof. Z. M. Smith of the State Department of Public Instruction has summarized the activities of agricultural instructors in the vocational department. Those demonstrate that the school is being directly and actively related to the work of the farm home and community.

L. R. Romine of Mooresville is endeavoring to create interest in vocational work by assisting the farmers in organizing a community betterment association. The association has been organized into committees: 1. Information and investigation. 2. Program and entertainment. 3. Home Economics. 4. Vocational Agricultural School. 5. Marketing. 6. Business men's interests.

Wm. A. Douglas, Franklin, Union Township School, Johnson County reports that interest is increasing in the night school. He now has a class of "out of school" boys who come in one day each week.

John Little of Fairmount has given his boys the task of caring for an orchard near the school building. In addition to the orchard work the boys have made purity tests of small seeds.

I. T. Beck of Carlisle has created interest in poultry. At the poultry show on January 7, 1916, one hundred and sixty birds were exhibited. The exhibit was visited by 500 people. As a direct result of this show and the 7th and 8th grade work in poultry six families have bought pure bred poultry for breeding purposes; five families are preparing breeding pens and trap nests; eight are feeding better rations for laying hens and are keeping records. One man, a miner, who has 39 hens, reported that the 39 hens layed 250 eggs in December and 559 in January. A farmer reported that never before had his hens layed in winter. His hens produced 45 eggs per day in January.

O. E. Acker-son of Monticello is connecting the work in soils with the home problems of the boys by having the boys bring in samples from the home fields. They are endeavoring to find out why some of their soil is cold, hard, compact. Five of his boys are feeding pigs as home projects.

C. O. Tuttle, Arcadia, sent out letters announcing his intention of conducting three sessions of evening class work in dairying at the Brown School House. A post card addressed to Tuttle was enclosed. On the card was the statement, "I am interested in the problem of Feeding for Milk Production and promise to take part in all three of the meetings at the Brown School House." To one invitation of this kind eleven men responded by enrolling for the work.

On January 28th Tuttle closed his eight weeks course in soil fertility. The average attendance for the eight weeks was eleven. This class was made up of "out of school" boys. Each of them replanned the home farm and planned a system of crop rotation which is to be carried out by the boys and their fathers.

A special bulletin will soon be published giving full information on this work. Other communities should plan to do similar work at an early date. It is needed and the people will welcome it.

BILL PROPOSES PARTISAN BOARD

Rep. George W. Fairchild of New York Gives This Estimate of Administration Measure

FOR A TARIFF COMMISSION

It Not Only Suggests, But Invites And Insures Partisan Action, he Says.

Washington, Feb. 25.—A more partisan tariff commission than that proposed by the bill introduced for the Wilson administration could scarcely be devised.

This statement was made by Representative George W. Fairchild of New York, a member of the Ways and Means Committee, after a careful analysis of the provisions of the administration tariff Commission bill.

"The establishment of a tariff commission the powers of which even suggest a partisan report is neither necessary, valuable nor desirable," said Mr. Fairchild. The Democratic tariff commission bill not only suggests but invites and insures partisan action.

"The bill contains two provisions stamping it as a partisan measure.

"First, section 3 provides, among other things, that the commission, five in number, shall investigate the administration and fiscal effects of customs laws now in force or to be hereafter enacted, the effects of ad valorem and specific duties, and the operation and effects of the customs tariff laws, including their relations to the federal revenues."

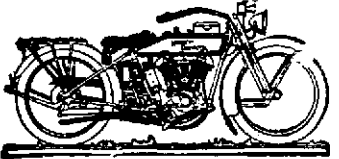

"A report on the effect of a tariff can only be an expression of opinion of the men making the report. Since the bill specifically permits the appointment of a majority of the same political faith on the commission such majority would unquestionably render an opinion in conformity with the tariff policy of the political party from which they were chosen, thus completely destroying the non-partisan character of the commission."

"Second, the partisan character of the administration bill is further emphasized by a provision that the Commission shall report, not to Congress itself, but to the two tariff-making committees of Congress, the Ways and Means Committee of the House and the Finance Committee of the Senate.

"Each of these committees is absolutely partisan, appointed for the purpose of reporting tariff measures that reflects the tariff policy of the party in power. Republican members of the Committee were not permitted to share with the Democratic members in drafting the Underwood bill, and this is the custom usually followed."

"It must be perfectly clear, therefore, that with a partisan tariff commission instructed to report to a partisan committee, bound by party platforms to legislate in conformity with the tariff policy of such party, nothing but the most extremely partisan tariff bill could be the result."

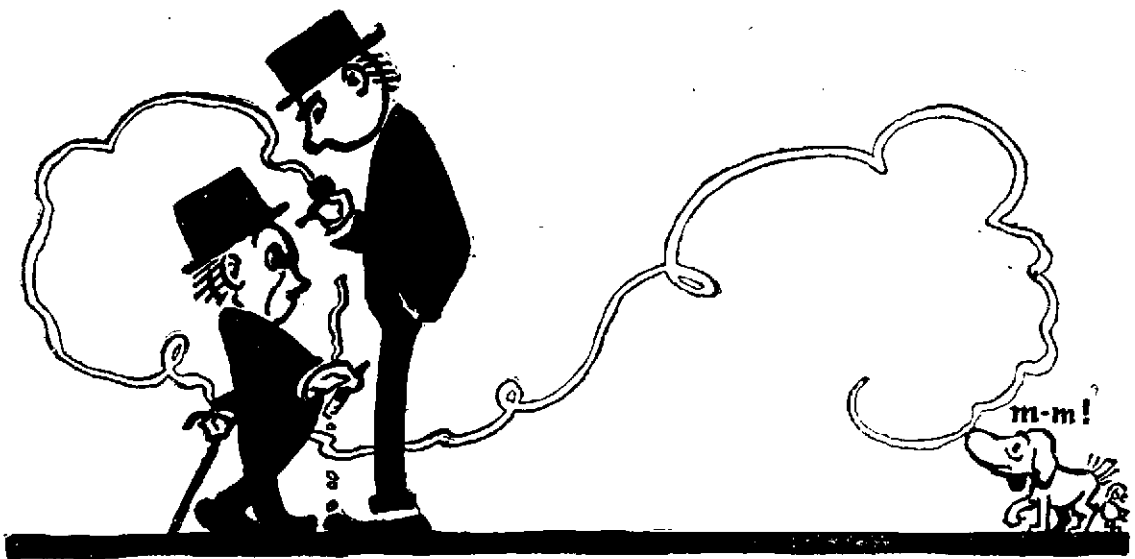

"From every point of view the Wilson tariff commission bill is a step backward rather than forward, and should be opposed by everyone who favors the appointment of scientific, non-partisan tariff commission."

James Foley

223 N. Morgan St.

No, Philburt, I am not a-arguing with you. I'm just a-telling you

—when you want a *real* smoke, get behind a pipeful of Tuxedo and watch all the big and little Worries that have been a-besieging you, evacuate their trenches and make a rushin' advance to the rear! Those fragrant whiffs of "Tux" make them feel too joyful—no self-respecting Worry can stand for that.

FRITZ KREISLER  
World-famous Violinist

"I have certainly found in Tuxedo the one and only tobacco that measures up to all my requirements, rich in fragrance, always cool smoking and so mild that I can smoke pipeful after pipeful at a sitting."

Fritz Kreisler

YOU CAN BUY TUXEDO EVERYWHERE

Convenient, glassine wrapped, moisture-proof pouch . . . 5c

In Tin Humidors, 40c and 80c

**Tuxedo**

The Perfect Tobacco for Pipe and Cigarette

The combination of the best smoking-tobacco leaf in the world and the best method ever discovered for refining and mellowing tobacco puts Tuxedo in a class by itself.

Kentucky's ripest, mildest Burley leaf, when treated by the original "Tuxedo Process" loses every trace of bite—develops a wonderfully pleasing fragrance and flavor that are not found in any other tobacco.

No other manufacturer knows the "Tuxedo Process"; that's why, no imitator ever equals Tuxedo!

**TODAY'S HOOSIER ODDITY**  
(By United Press.)

Rockford, Feb. 25.—Tullard the flood caused the imprisonment of seven rabbits, five minks and one weasel. He found all of them with their fore feet frozen to the steel beam of a plow. As the waters rose they placed their forefeet on the plow in order to keep their heads out of the water. Able didn't kill them, but planned to do so the next day. Over night there was a quick rise in temperature, which freed the strange group.

\*\*\*\*\*

As Republican candidate I respectfully solicit your vote in the primary, March 7th for

Joint Senator

I desire to represent you from the three best counties in Indiana—Rush, Hancock and Decatur.

# How to avoid Operations

## These Three Women Tell How They Escaped the Dreadful Ordeal of Surgical Operations.

Hospitals are great and necessary institutions, but they should be the last resort for women who suffer with ills peculiar to their sex. Many letters on file in the Pinkham Laboratory at Lynn, Mass., prove that a great number of women after they have been recommended to submit to an operation have been made well by Lydia E. Pinkham's Vegetable Compound. Here are three such letters. All sick women should read them.

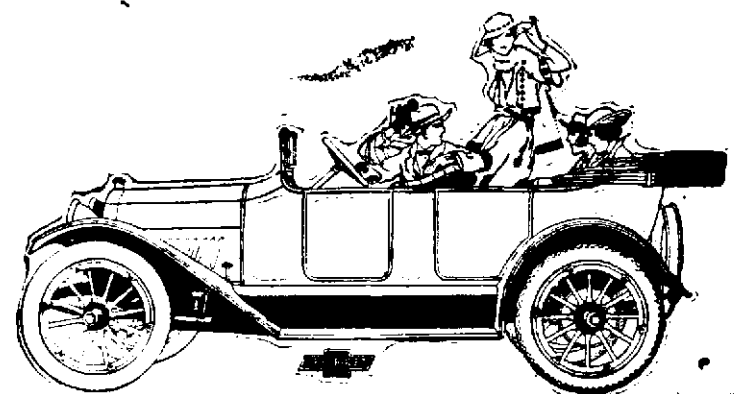

Marinette, Wis.—"I went to the doctor and he told me I must have an operation for a female trouble, and I hated to have it done as I had been married only a short time. I would have terrible pains and my hands and feet were cold all the time. I took Lydia E. Pinkham's Vegetable Compound and was cured, and I feel better in every way. I give you permission to publish my name because I am so thankful that I feel well again."  
—Mrs. FRED BEHNKE, Marinette, Wis.

Detroit, Mich.—"When I first took Lydia E. Pinkham's Vegetable Compound I was so run down with female troubles that I could not do anything, and our doctor said I would have to undergo an operation. I could hardly walk without help so when I read about the Vegetable Compound and what it had done for others I thought I would try it. I got a bottle of Lydia E. Pinkham's Vegetable Compound and a package of Lydia E. Pinkham's Sanative Wash and used them according to directions. They helped me and today I am able to do all my work and I am well."  
—Mrs. THOS. DWYER, 989 Milwaukee Ave., East, Detroit, Mich.

Bellevue, Pa.—"I suffered more than tongue can tell with terrible bearing down pains and inflammation. I tried several doctors and they all told me the same story, that I never could get well without an operation and I just dreaded the thought of that. I also tried a good many other medicines that were recommended to me and none of them helped me until a friend advised me to give Lydia E. Pinkham's Vegetable Compound a trial. The first bottle helped, I kept taking it and now I don't know what it is to be sick any more and I am picking up in weight. I am 20 years old and weigh 145 pounds. It will be the greatest pleasure to me if I can have the opportunity to recommend it to any other suffering woman."  
—Miss IRENE FROELICHER, 1923 Manhattan St., North Side, Bellevue, Pa.

If you would like special advice write to Lydia E. Pinkham Med. Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

## County News

There were eighty-seven at Sunday school last Sunday. Larger crowds are expected when the weather gets nicer.

Mrs. Iva Smalley is reported afflicted with a severe illness.

Charles Eskew spent a few days at Indianapolis this week.

James Durham and family were guests of T. B. Scott and family last Sunday.

Mr. and Mrs. Wilbur Gordon were the guests of the latter's parents near Occident last Sunday.

John Clifton has purchased a new automobile.

George W. Kenner and family entertained last Sunday Mr. and Mrs. Welcome Aiken and son Harold Welcome.

George Billings, who has been sick for several days, is reported to be better.

Mrs. Ed. Hood spent a few days at Greensburg, with her brother, Andy, and family.

Mrs. Walter Crull was operated on for appendicitis at the Sexton sanatorium at Rushville last Sunday.

Mr. and Mrs. O. H. Benham and Mrs. Aiken of Columbus are guests of Mr. and Mrs. Welcome Aiken this week.

A large crowd attended the sale of Flem Johnson & Sons last Tuesday.

## New Salem.

Charley Wamsley, who has been threatened with pneumonia, is better.

Mrs. Wagoner and daughter Orpha of near Rushville spent Tuesday, the guest of Mr. and Mrs. Fred Maple.

John Farrington, who sustained an injury to his back a short time ago, is improving.

The last number of the lecture course will be given Thursday night by the "Swanee River" quintet at the M. P. church.

Fred Matney, who recently underwent an operation for appendicitis, is able to be out again.

## Orange Township.

Mrs. Will Major was a visitor in Indianapolis Wednesday. She visited her father, who is at the hospital there.

Mr. and Mrs. Clarence Greenwell of Kentucky are visiting relatives here.

Orval Headlee and family have moved to their home in Adams.

Robert Morris and family have moved into the Orval Headlee property in Gowdy.

Walter Culliver and family of Moscow have moved into the Robert Stewart property at Gowdy.

Mr. and Mrs. Floyd Branson of Homer visited Mr. and Mrs. Mort Campbell Sunday.

Several from this vicinity attended the Miller-Jackson sale last Monday.

There were 66 attended Sunday school at Moscow Sunday.

Green Thompson, east of Moscow is visiting his brother, Andy Thompson of Gowdy.

A driver, delivering some groceries for the Benning Bros. of St. Paul, met with quite a serious accident this week. While driving north out of Moscow, his wagon upset and the boxes of goods fell upon the driver. Dr. Jewitt of St. Paul was called to dress the wounds and took him back to St. Paul.

Mrs. Owen Carpenter is visiting in Indianapolis this week.

Conrad Kuntz will have a sale soon, preparatory to an extended visit in the South for Mrs. Kuntz's health.

Mr. and Mrs. Will Lewis will move this week to a farm near Fairland, which they recently purchased.

Mr. and Mrs. James Honey visited at Robert Campbell's Thursday.

A man will tighten his belt and chase a rabbit all day without a thought of hunger or fatigue. But when his wife wants an armful of wood he promptly sends the kid. Shoe pinch?

## COMES TO FRONT AS WOOL MARKET

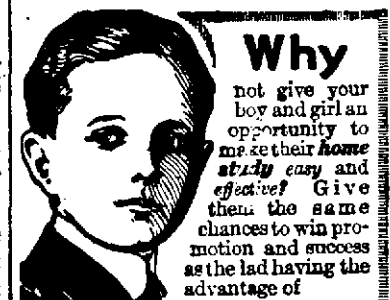

Boston Handled More Last Year, According to Unofficial Figures, Than London

OVER 3 MILLION POUNDS

(By United Press.)

Boston, Feb. 25.—All previous records for the amount of wool handled in this country were broken in 1915, according to the textile records just compiled here and when the final statistics become available it probably will be shown that Boston has superseded London as the world's largest single wool market. London seldom sells more than a million bales annually, or not much in excess of 350,000,000 pounds, and the corrected figures for 1915 probably will disclose a smaller amount.

Imports to the United States based upon authorities, aggregated 340,510,022 pounds and though the final Government import statistics may modify this somewhat, they are a close approximation. Added to the domestic clip for the season they give a grand total of more than 600,000,000 pounds. The figures demonstrating Boston's importance as a wool mart are based upon statistics of receipts compiled by the Boston Chamber of Commerce. The total figure for Boston is 393,110,394 pounds, which represents Boston's wool sales for the year. This is in excess of the quantity of wool handled in any other city.

C. & C. MERRIAM CO., SPRINGFIELD, MASS.

Vote for "33" Ezekiel M. Jones (better known as "Zeke") a Republican Candidate for Sheriff, from Ripley Township, Rush County, at Primary March 7, 1916.

I have found it absolutely impossible to see all of the voters before the Primary to solicit their support for my candidacy for Republican nomination for Sheriff of Rush County, but I desire to say that I have always been a loyal, staunch and true blue Republican. I live in Ripley Township now and cast my first vote in Rush County for James G. Blaine. I nor any of my immediate family have never held nor asked for any public office nor have I been the nominee for any except that I was a candidate in 1912 for Sheriff of Rush County and withdrew on the fourth ballot in the county delegate convention, and went out and worked my best for the ticket, as I always have done.

FOR REFERENCE to my Republicanism or qualifications for this office I refer you to any business man or bank in Rush county.

I CAN BE ELECTED IF NOMINATED.

My number on ballot will be 33 on all ballots

I thank you in advance for your support, Yours Very Truly,

**Ezekiel M. Jones**

A RUSHVILLE MAN'S EXPERIENCE.

Results Tell the Tale.

Can you doubt the evidence of this Rushville citizen? You can verify Rushville endorsement.

Read this:

Harrison Levi, 931 North Sexton Street, Rushville, says: "I used to have to get up six or seven times, each night on the account of the too frequent passages of the kidney secretions. Often they were scanty and accompanied by pain. I also had severe backaches. Nothing ever did me any good until I began taking Doan's Kidney Pills, procured from Johnson's Drug Store. It didn't take them long to fix me up. The pain left and my kidneys became regular in action." Statement given July 27, 1912.

A Permanent Cure.

On Aug. 25, 1915, Mr. Levi said: "I am glad to confirm by former endorsement of Doan's Kidney Pills, or they have given me a permanent cure."

Price 50c. at all dealers. Don't simply ask for Kidney Pills—same that Mr. Levi has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y. (Advertisement)

**ONE STREET NAME IS NOT DUPLICATED ANY PLACE**

Continued from Page 1.

street, that's a rather uncommon street name. But opinions change on perusal of that street directory. There are fifty-two other towns and cities in the United States that boast a Perkins street. Then, too, there are some Perkins avenues, courts, alleys, etc.

There are oodles and oodles of Morgan streets—so many that it was hardly thought worth while to count them. They are in towns all the way from Aberdeen, Wash. to New London, Conn., and West Point, Miss. Such towns as Kokomo have a Perkins street in their city directory.

One would naturally think that Hannah street was an unusual name. But 'tis not so. There are thirteen others of the same species, not counting Rushville. Huntington is the only Indiana city aside from Rushville with a Hannah street.

Now Sexton street is a little more aristocratic. Joliet, Ill., New Britain, Conn., and Providence, R. I. are the only other cities besides Rushville that have a Sexton street.

Of course, most every city just numbered streets one, two, three, and so on because it was convenient, but it may be interesting to know that there are more Main streets listed than Firsts or any other numbered streets.

New York holds the world's record for the highest numbered streets. From one hundred and sixty-second on, New York has no competition. The highest numbered street in New York is two hundred and sixty-second.

But reverting back to aristocratic, exclusive streets, Cerro Gordo has it. McClellane, Decatur, Ill. is the one on all the streets in Rushville, except only other city besides Rushville that can lay claim to a street named Cerro Gordo.

Oliver, too, is a favorite with those who name streets. Cherry is as common as dirt, and Water is a by-word when it comes to street names. Jackson is a close second. Harrison lays claim to many a city, and Washington street—when they lay out a town they always christen the principal street Washington or Main. There's nothing uncommon about Willow either.

**Commissioners' Sale of Real Estate.**

We, the undersigned, commissioners, will offer at private sale on **Thursday, March 16, 1916,** and from day to day thereafter until sold, one hundred (100) acres of land two (2) miles southeast of the town of Homer in Rush county, and a residence property in the town of Homer. Said real estate was formerly owned by Nancy Miller, deceased. **TERMS OF SALE—One-half cash and one-half in one year, or all cash at the option of the purchaser.**

To anyone desiring to purchase a good farm or a small residence property in the locality above designated, we recommend an inspection of the properties named.

Bids will be received at the Manilla Bank, Manilla, Indiana, and at the law office of Samuel Innis, Kiplinger & Smith and John A. Tittsworth, attorneys, at Rushville, Indiana, and Osborn & Hamblin and Tremain & Turner, at Greensburg, Indiana. **LEONIDAS H. MULL, JOHN E. OSBORN,** Commissioners.

## Swift's Fertilizers Continue to Make Winners

If you used Swift's Fertilizer and obtained the best yield in the state you would, of course, give our fertilizer the credit that was due it. NOW, if the following year's Champion used Swift's and this performance repeated from year to year, you naturally would begin to think that Swift's Red Steer Brand is a pretty good fertilizer, would you not?

### Look at the Record and Decide Yourself.

There can be no better proof of the value of a fertilizer than the records made by those who use it. There must be merit in a fertilizer that produces the results stated below:

Mr. Will Essig, Tipton, Indiana—131 bushels corn per acre. The largest yield of which there is any record in Indiana. Mr. Essig was recently awarded a gold medal at the Panama Exposition. Used SWIFT'S.

Mr. Norris McHenry, Elizabethtown, Ind.—112 bushels per acre. Winner of the Indiana 1914 Men's Five Acre Corn Contest. Used SWIFT'S. In 1915 he was induced to use other than Swift's Fertilizer and got no prize.

Mr. F. R. McHenry, Norris' father—used no fertilizer in 1914 and won no prize, but as his son won the State Championship in 1914 with the aid of Swift's Fertilizer, Mr. McHenry used Swift's in 1915, got 87.3 bushels of ripe corn per acre and won the sweepstakes for men in the Bartholomew County Five Acre Corn Contest.

The 1st, 2d, 3d and 4th prizes for the highest yields of good quality corn in the 1915 Five Acre Corn Contest for men in Bartholomew County, Indiana, all went to users of Swift's Fertilizer. Also in the Boys' One Acre Corn Contest in the same county, the 1st, 2d, 3d and 4th prizes went to users of Swift's Fertilizer.

The Ohio 1914 Champion Corn Grower, Arnett Rose, Alger, Ohio—153.9 bushels—used SWIFT'S.

The Ohio 1915 Champion Corn Grower, Dewey Haines, Arcanum, Ohio—154 bushels—used SWIFT'S.

The Indiana 1914 Boy Champion Corn Grower, Roy Friedersdorf, Elizabethtown, Ind.—128.8 bu.—used SWIFT'S.

Gordon Reap, Elizabethtown, Indiana, who was third last year, is County Champion with 105.73 bushels. He also used SWIFT'S this year.

There certainly MUST be something in Swift's Fertilizers that PRODUCES RESULTS. Swift's blood, bone and tankage fertilizers make prize winners.

If YOU do not use Swift's Fertilizers, you are not sure that you are using the best fertilizer obtainable. You want the best—then buy SWIFT'S—the Red Steer Brand.

## PRIMARY ABOUT 2 WEEKS AWAY

As Far as Rush County is Concerned, Preparations For First Test Are Well Advanced

### SOME POINTS UNSETTLED

Qualifications of Voters Indefinite But That Will All be Cleared up, it is Stated

The primary election is less than two weeks away. All the preliminary arrangements for it are well under way. The election commission has seen to it that all declarations of candidates have been properly filed; his issued notices setting forth the nominations that are to be made and giving the polling place in each precinct, and has turned over to the Republican company the copy for the ballots. The township trustees have been notified to have ballot boxes painted to conform to the law, and the chairmen of the county committees have been instructed to prepare forthwith their recommendations for members of election boards. The preparation for the primary has taken considerable work, but the commission has been industrious, and the indications are that, as far as Rush county is concerned, everything will be in good shape by the time primary day rolls round.

As usual in primaries, a number of questions touching the qualifications of voters are arising. There is a conflict of opinion as to whether the young man who is not yet twenty-one years of age, but who will be in time to participate in the fall election, is entitled to vote in the primary. There is also a conflict of opinion as to whether the man who has not resided in a precinct long enough to gain a voting residence, but who will have established a voting residence by the time of the fall election is entitled to participate in the primary.

It is not unlikely that these questions will be submitted to a commission of lawyers within the next few days, with the understanding that the primary boards shall be guided by whatever ruling such commission makes. It is said that practically all local lawyers to whom the questions have been submitted have held that any man who will be entitled to vote in the November election, will be entitled to vote in the primary. If his name does not happen to be on the registration book supplied by the auditor, he can make an affidavit that he will be a legal voter in the precinct in the fall election, and having made such affidavit, it is said, will be entitled to vote in the primary. Such a ruling was made, it is understood, by the commission of lawyers, representing the republican, democratic and progressive parties, that was appointed by Gov. Ralston to interpret the primary law. It sounds like a common-sense ruling for, obviously, if a man will be entitled to vote in the fall election, he should be entitled to a voice in naming the ticket he intends to vote for—should have the right to vote in the primary.

As far as is discernable at this time, there is a pretty general acceptance by the candidates and their organizations of the decree that the primary must be a clean contest. Practically everybody agrees that the only safe course is to track the law to the letter. There have been no indications up to this time of a purpose upon the part of any candidate to do anything else. No voter ought to be stupid enough to think of taking any other course.

## USES PROCESS TO KEEP EGGS

By Sterilizing Them They Can be Kept on Shelf Like Canned Goods—a New Method

### DIPPED IN PREPARED OIL

Said to Have Taken up The Problem Where The Cold Storage People Left Off.

(By United Press.)

Indianapolis, Ind., Feb. 25.—The time is at hand when eggs will be laid in while cheap and carried on the shelf like canned goods, or at least that seems to be the promise of the new sterilizing process for egg which is to be a topic for discussion by the Indiana Egg and Poultry convention here on February 29 to March 1.

O. C. Kimball, Hillsdale, Mich., an authority on the subject, will address the convention on March 1. While cold storage has done much to distribute the supply of eggs more evenly over the year, and make them available when Mrs. Hen refuses to work, the sterilized egg has done even more according to egg men. It has taken up the problem where the cold storage left off, and if the performance lives up to the promise the world will no longer have to be following the hen around to be sure of fresh fruit.

By the new method, which is simply one of dipping the egg into a specially prepared oil the formula for which is no secret, the egg is made non-fertile, the shell is sterilized, the air is extracted from the air space and a vacuum created, and the shell is hermetically sealed. According to those who have experimented with the process, every egg thereby is self-canned.

## EASY TO DARKEN YOUR GRAY HAIR

Try this! Mix Sage Tea and Sulphur and brush it through your hair, taking one strand at a time.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use tonic called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. You will also discover dandruff is gone and hair has stopped falling.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur and look years younger.

## CANDIDATE FOR CLERK Of the Circuit Court.

Subject to the Decision of the Republican Primaries March 7, 1916.

FRANK C. BUELL

To the Republicans of Rush County:

As it is nearly impossible to see each one individually we are authorized to take this method of placing his name before the voters for their consideration.

### WHO IS HE?

He is a farmer, 48 years old, born and always lived on the farm where he now resides and received his education in the township and city schools.

He makes no claim to be entitled to the office any more than any other Republican that has always voted and worked for the party.

He does not say he needs the office to make a living as he is making a very good living where he is, but if nominated and elected he does

not promise to give the salary away as he never saw any one yet who could not use another dollar or two.

He has been a Republican all his life; his father has been a Republican since the birth of the party; and his grandfather was a Whig before he was a Republican. None of them have ever held a county office or even asked for one.

If nominated and elected, he promises to serve the people to the best of his ability.

## Candidacy of Judge Daniel W. Comstock Endorsed by Republicans of Wayne Co.

The resolution, indorsing the candidacy of Judge Daniel W. Comstock for the Republican nomination as representative to congress from the Sixth Indiana district, passed at the Comstock rally at Richmond follows:

Be it resolved by the Republicans of Wayne county, Indiana, in convention assembled, that the Sixth Congressional District of Indiana should and must be redeemed from Democracy. To that end, we recognize that it is necessary that this county be carried by a re-united Republican party and thus give to said party its old time majority.

Be it further resolved that in the Hon. Daniel W. Comstock we recognize the man who can and will restore the harmony that is necessary to the success of the party. He is a man of high mental and moral attainments. He has served his country patriotically as a soldier in the Civil war; his state and county, as a legislator and a jurist of dignity and learning. There is no blot upon his character, private or public. There is no clique nor faction against him other than the Democratic party. His learning, legislative experience and legal attainments will at once give him recognition and high standing in the house of representatives. His record as a public official is such as to commend him to the peoples' cause in matters of national legislation.

Therefore, we, the Republicans of Wayne county, do hereby most heartily indorse the candidacy of the Hon. Daniel W. Comstock for representative in congress from this district and earnestly ask the other counties of the district to give us their aid in securing his nomination. We pledge them an old fashioned Republican majority in Wayne county if he is nominated.

**Buy Advertised Brands — They're Best**  
"Trade-marked" articles—things sold by NAME, or DISTINGUISHING AND IDENTIFYING BRANDS—must be kept at the highest standard of quality. The VALUE must never vary. For a maker to "cheapen" such an article would be to throw away the prestige he had fought so hard, and advertised so effectively, to gain.

## Read What the Users of the SIMPLICITY INCUBATORS Say

- Mrs. Harold Moore says—I has given good satisfaction.
- Mrs. Estella Oneal says—I am well pleased with our Incubator and it has done us good success. It can't be beat—the Best out.
- Mrs. Roll Dearing says—I think my Incubator is one among the best. It is easy to operate and does not use much oil.
- Mrs. Alva Webb says—I think they are as good as are made, for they are healthy in the house—no coal oil fumes comes from them and they give good results.
- Mrs. Wilbur Warner says—Think it is fine. Got 105 chicks out of 110 eggs the last hatch. Got 160 from the first two hatches.
- Mrs. Vern Harlow says—Just Fine is enough to say. Good hatch and strong, healthy chickens, also a good word for my None-Such Brooder.
- Mrs. John Lucas says—I set my Incubator five times. I put 110 eggs in and I got on an average of 80 healthy chicks. I was well pleased.
- Mrs. Jess Gray says—I thing the Simplicity is all right—have had good hatches.
- Mrs. Ora Beckner says—I had splendid hatches with my Incubator—have hatched from 82 to 96 chicks every time so far.
- Mrs. O. M. Harton says—I like it very much—it is all right.
- Mrs. Frank Hensley says—We have one of your Incubators and it is a good one.
- Mrs. J. M. Maple says—I use the None-Such Brooder and I thing it is fine, have used it one year, and would not do without it as long as I raise chickens.
- Mrs. Idanna Ellison says—I like my Incubator as well as any I have seen, and it does as good work as any I have seen or that any of my neighbors who have other kinds.
- Mrs. Roy Hensley says—I think my Incubator is very nice.
- Mrs. Charles Lewark says—I think that my Incubator is just fine. Set it three times and it has hatched good every time.

The above says in plain words that the Simplicity is a real Incubator and one that can be depended on, and this means a good deal to you. What the above have done you can also do. If you are interested in Incubators why not buy the best one that is being successfully used in 125 homes in Rush County.

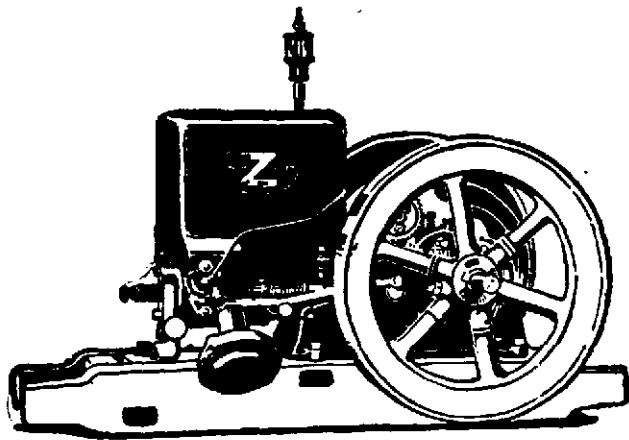

Yours very truly,
